L.B.R. 1001-1 Short Title and Scope.

(a) Short Title.

Any citation referencing these rules shall be made as N.D. Tex. L.B.R. and the number of the pertinent rule.

(b) Scope.

- (1) The Local Bankruptcy Rules govern procedure in the United States Bankruptcy Court for the Northern District of Texas in cases under title 11 of the United States Code (the “Bankruptcy Code”). The Local Bankruptcy Rules supplement, but do not replace the Federal Rules of Bankruptcy Procedure, and shall be construed consistently with those rules to secure the just, expeditious and economical administration and determination of every case and proceeding under the Bankruptcy Code.
- (2) In addition to these Local Bankruptcy Rules, the Administrative Procedures for CM/ECF, Procedures for Complex Chapter 11 Cases, and the standing and general orders of the Bankruptcy Court govern practice.
- (3) Notwithstanding these Local Bankruptcy Rules, the Presiding Judge may direct the parties to proceed in any manner that the judge deems just and expeditious and may suspend or modify any Local Bankruptcy Rule in a particular case.
- (4) Any appendix to these Local Bankruptcy Rules may be modified by the Bankruptcy Court without the necessity of a formal amendment to these Local Bankruptcy Rules.

L.B.R. 1002-1 Commencement of Case Without Counsel.

(a) Individual Filers.

Only an individual may file a voluntary bankruptcy petition or appear in court without being represented by a licensed attorney. All other entities, including partnerships, corporations and trusts may not, without counsel, appear in court or sign pleadings, including the petition. If a debtor that is not an individual files a petition without legal counsel, the Presiding Judge may dismiss the case without notice, either *sua sponte*, or on motion of a party in interest.

(b) Responsibility of *Pro Se* Individuals.

Any individual proceeding on the individual's own behalf is considered *pro se*. Individuals proceeding *pro se* must read and follow the Local Bankruptcy Rules, the Federal Rules of Bankruptcy Procedure, and the Bankruptcy Code.

L.B.R. 1006-1 Filing Fees - Installment Payments.

(a) Application to Pay in Installments.

An application to pay a filing fee in installments by an individual shall be filed contemporaneously with the petition and be accompanied by an initial installment payment as follows:

- (1) in Chapter 7, 12 and 13 cases, \$50.00.
- (2) in any other case, \$100.00.

(b) Applications Filed Without Initial Installment Payment.

Any application to pay a filing fee in installments which is presented without the initial installment payment set forth in subsection (a) shall be denied.

L.B.R. 1006-2 Filing Fees - Form of Payment.

(a) Payment of Filing Fee.

Acceptable methods of payment include cash, check, money order, cashier check and debit or credit card. Only attorney filers may pay filing fees by check, debit or credit card.

(b) Payment by Check.

Payment by check is permitted only if drawn on the account of the attorney for the debtor or another party, or on the account of a law firm of which the attorney is a member, partner, or associate. Checks shall be payable to "Clerk, U.S. Bankruptcy Court." The check is accepted subject to collection.

L.B.R. 1007-1 Lists, Schedules, Statements and Other Documents.

(a) Mailing List.

A mailing list containing the name and address of each entity included or to be included on Schedules D, E, F, G and H shall be filed contemporaneously with every voluntary petition and within 2 days, excluding intermediate weekends and holidays, of the entry of an order for relief in an involuntary case. The mailing list shall be submitted in accordance with the Clerk's

Administrative Procedures for Electronic Filing, and shall include those agencies and offices of the United States required to receive notice pursuant to Bankruptcy Rule 2002(j). The mailing list shall be filed by the debtor or party responsible for filing the schedules and statements of affairs. Failure to file the mailing list as prescribed in this rule is cause for summary dismissal of the case.

(b) Extension of Time to File.

Before filing a motion for extension, counsel for the debtor shall confer with the Office of the United States Trustee, any committee, trustee, examiner or the standing chapter 12 or 13 trustee (if applicable) to determine whether or not the requested extension will be opposed. If unopposed, the motion for extension shall be accompanied by a certificate of conference certifying that the motion is unopposed. If opposed, the debtor shall request a hearing; however any hearing on the motion will only be held at the discretion of the Presiding Judge.

(c) Exclusion From Means Testing-Statement of Current Monthly Income Not Required.

- (1) An individual debtor in a chapter 7 case is not required to file a Statement of Current Monthly Income, as provided in Bankruptcy Rule 1007(b)(4), if:

 - (B) § 707(b)(2)(D)(ii) applies and the exclusion from means testing granted therein extends beyond the period specified by Bankruptcy Rule 1017(e).
- (2) An individual debtor who is temporarily excluded from means testing pursuant to subsection (c)(1)(B) of this rule shall file any statement and calculations required by Bankruptcy Rule 1007(b)(4) no later than 14 days after the expiration of the temporary exclusion if the expiration occurs within the time specified by Bankruptcy Rule 1017(e).
- (3) If the temporary exclusion from means testing under § 707(b)(2)(D)(ii) terminates due to the circumstances specified in subsection (c)(2) of this rule, and if the debtor has not previously filed a statement and calculations required by Bankruptcy Rule 1007(b)(4), the Bankruptcy Clerk shall promptly notify the debtor that the required statement and calculations must be filed within the time specified in subsection (c)(2).

(d) Privacy Provisions.

- (1) Redaction of Personal Identifiers.** Parties shall refrain from including, or shall partially redact where inclusion is necessary, the following personal data identifiers from all documents and pleadings filed with the court, including exhibits thereto, whether filed electronically or in paper, unless otherwise ordered by the court:

(A) Social Security Numbers. If an individual's social security numbers must be included in a pleading, only the last four digits of that number should be used;

(B) Names of Minor Children. If the involvement of a minor child must be mentioned, only the initials of that child should be used. On Schedule I of Official Bankruptcy Form 6, list relationship and age of a debtor's dependents (i.e., son, age 6);

(C) Dates of Birth. If an individual's date of birth must be included in a pleading, only the year should be used.

(D) Financial Account Numbers. If the financial account numbers are relevant, only the last four digits of these numbers should be used. On Schedules D, E, and F of Official Bankruptcy Form 6, debtors, if they so choose, may include their full account numbers to assist the trustee and creditors.

- (2) Responsible Party.** The responsibility for redacting these personal identifiers rests solely with counsel and the parties. The Bankruptcy Clerk will not review each document and pleading for compliance with this rule. Any party wishing to file a document containing the personal data identifiers listed above may file an unredacted document under seal. This document shall be retained by the court as part of the record. The Bankruptcy Court may, however, still require the party to file a redacted copy for the public file.

- (3) Statement of Social Security Number.** Unless otherwise ordered by the Bankruptcy Court, individual debtors must complete and file electronically an Official Bankruptcy Form 21 *Statement of Social Security Number*.

L.B.R. 1009-1 Amendments to Lists and Schedules.

(a) Amendments to Mailing Lists.

Whenever schedules or amendments add new entities or make corrections to mailing addresses, including the debtor's mailing address, the debtor shall file with the document an amendment to the mailing list which shall include only the names and addresses of entities to be added or corrected. A verification of mailing list shall also be filed with the amendment, and as provided on the form, shall indicate that the amendment to the mailing list adds new entities, or corrects

addresses of entities appearing on a previously filed mailing list. It is the debtor's responsibility to comply with 11 U.S.C. § 342(e).

(b) Amendments to Schedules.

When creditors are added by amendment to the schedules, the debtor's attorney (or debtor, if *pro se*) shall give notice to each such creditor of the filing of the bankruptcy and all applicable bar dates and deadlines if these bar dates and deadlines have been set at the time of the amendment, including notice of the meeting of creditors pursuant to 11 U.S.C. § 341(a), and any continued or rescheduled meeting of creditors.

(a) Motions for Joint Administration.

When a case is filed for or against a debtor related to a debtor with a case pending in the Bankruptcy Court, a party in interest may file a motion for joint administration in each case. Motions for joint administration will be assigned for determination to the bankruptcy judge presiding over the first related case filed in this district, regardless of the division in which the case is filed.

(b) Joint Petition.

The filing of a joint petition shall be deemed an order directing joint administration for the purpose of Bankruptcy Rule 1015, unless the court orders otherwise.

L.B.R. 3003-1 Filing Proofs of Claim or Interest in a Chapter 9 or 11 Case.

In a chapter 9 or 11 case, where no bar date has otherwise been specifically set, an unsecured creditor or equity security holder whose claim or interest is not scheduled or is scheduled as disputed, contingent, or unliquidated, has a proof of claim timely filed if it is filed not later than 90 days after the first date set for the meeting of creditors pursuant to 11 U.S.C. § 341, except that a proof of claim filed by a governmental unit is timely filed if it is filed not later than 180 days after the date of the order for relief.

L.B.R. 3007-1 Claim Objections.

(a) Contents of the Objection.

Every objection to claim shall identify the claim by claim number, claimant and date filed. If the amount or classification of the claim is being disputed, the objection to claim shall state the amount of the claim, if any, that is not in dispute and the classification considered proper by the objecting party. The objection shall state with particularity the basis for the objection.

(b) Service.

At a minimum, the objecting party shall serve any claim objection and the notice of hearing thereon, if applicable, on the claimant at the address provided on the proof of claim, and if applicable, on the claimant's attorney. Pursuant to Bankruptcy Rule 7005, the objecting party shall file with the Bankruptcy Clerk a certificate of service, attached to the objection, evidencing the date and mode of service and the names and addresses of the parties served.

L.B.R. 3007-2 Omnibus Claim Objections.

(a) Omnibus Claim Objection Procedures.

When making an omnibus claim objection, the following procedures shall be followed:

- (1) The objector shall object to no more than 100 proofs of claim in one pleading;
- (2) Copies of the claims need not be attached to the omnibus claim objection. However, the objector shall notify the claimant that a copy of the claim may be obtained from the objector upon request;
- (3) The notice of hearing and objection shall be served on the person whose name appears in the signature block on the proof of claim and in accordance with Bankruptcy Rule 7004;
- (4) A hearing on each omnibus claim objection shall be held at least 40 days after service of the objection, and the date of such hearing shall be clearly set forth in the notice of hearing. The objector is permitted to file a reply, including evidence, to any response within 3 days, excluding intermediate weekends and holidays, before a hearing on the objection; and
- (5) After the hearing on each omnibus claim objection, the objector may submit to the court a form order sustaining each objection as to which the claimant has defaulted.

(b) Omnibus Claim Objection Hearings.

All pending objections to claims included in an omnibus objection shall follow the same hearing schedule, unless otherwise ordered by the court. When multiple claims subject to an omnibus claim objection are reset, all claims from that objection shall be reset to the same hearing date. A party resetting a hearing on an omnibus claim objection shall provide to the court, no fewer than 2 days, excluding intermediate weekends and holidays, prior to the reset hearing date, a list or chart setting forth the claim objections which remain to be determined on the reset hearing date, specifying which of those the party believes will be defaulted or settled.

L.B.R. 3007-3 Estimation of Claims.

- (a) If a claim is objected to, the objecting party, the claimant, the trustee, the debtor in possession or any plan proponent may file a motion requesting that the claim be estimated in accordance with 11 U.S.C. § 502(c). Filing a motion to estimate commences a contested matter.
- (b) The motion to estimate shall include those purposes (e.g., voting, allowance, etc.) for which estimation is sought, and an explanation of why estimation, as opposed to full trial

of the claim objection, is appropriate. The movant, as soon as practicable following filing of the motion to estimate, shall consult with the claimant and the objecting party to determine whether either opposes the motion.

- (c) If the movant, the claimant and the objecting party agree that the claim should be estimated, they shall attempt to agree upon and submit to the court procedures applicable to estimation of the claim. If they are unable to agree upon procedures, each party may submit proposed procedures. Proposed procedures shall be filed with the court at least 3 days, excluding intermediate weekends and holidays, prior to the hearing on the motion to estimate.
- (d) If the claimant or the objecting party contests the motion to estimate, such entity shall file a response to the motion at least 3 days, excluding intermediate weekends and holidays, prior to the hearing on the motion.
- (e) If the court grants the motion to estimate, the movant, the claimant and the objecting party shall follow the process respecting proposed procedures described in subdivision (c) of this rule.
- (f) If the motion to estimate is granted, following such additional steps as the Presiding Judge may direct, the Presiding Judge shall enter such orders as are appropriate establishing procedures and schedules for estimating the claim.

L.B.R. 3015-1 Chapter 12 - Confirmation.

(a) Objections.

Unless the court orders otherwise, an objection to confirmation shall be filed no later than 7 days prior to the date set for hearing on confirmation of the plan.

Any party objecting to the plan shall be represented at the conference by a person with full authority to settle. If no written objections to the confirmation of the debtor's plan are filed within the time prescribed by the court, then the conference need not be held.
- (2) Hearing.** After notice, the court shall conduct a hearing on confirmation of the chapter 12 plan. The court may accept the standing chapter 12 trustee's report.

- (3) **Notice.** When a chapter 12 plan is filed, the debtor's attorney shall give the standing chapter 12 trustee, all creditors, and all parties in interest notice of the time fixed for filing objections to the debtor's plan, the date, time and place of the pre-confirmation conference and of the confirmation hearing. The debtor's attorney shall give notice by a form of notice promulgated by the standing chapter 12 trustee.

L.B.R. 3015-2 Chapter 13 - Objections to Confirmation.

Unless the court orders otherwise, an objection to confirmation shall be filed no later than 7 days prior to the date set for the pre-hearing conference on confirmation of the plan.

L.B.R. 3016-1 Chapter 11 - Plan.

(a) Extension of Exclusivity Period.

If the debtor desires an extension of the exclusive period for filing a plan of reorganization, the debtor shall file a motion requesting the extension that includes a statement of the reasons why a plan has not been filed and a detailed timetable of the steps to be taken in order to file a plan. No order extending the periods of exclusivity as provided in 11 U.S.C. § 1121(b) or (e) shall be entered in the absence of such information.

(b) Small Business Cases.

If the debtor desires an extension of the periods provided for filing or confirming a plan of reorganization in a small business case, as provided in 11 U.S.C. § 1121(e)(3), then the debtor shall file and serve a motion requesting the extension, as described in subsection (a), on all parties in interest. The motion should be filed sufficiently in advance of the expiration of the time periods provided in § 1121(e) to provide at least 21 days' notice of the hearing and for the order extending time to be signed before the existing deadline has expired. Expedited or emergency hearings will be granted only in exceptional circumstances.

(c) Report Required for Plans Not Filed Within Initial Exclusivity Period.

Whenever a plan has not been filed within the exclusive period for filing a plan of reorganization as set forth in 11 U.S.C. § 1121(b) or (e), or upon the expiration of any extension or reduction of exclusivity, the debtor shall file either: (1) a report stating the reasons why a plan has not been filed and a detailed timetable of the steps to be taken in order to file a plan; or (2) a recommendation that the case either be dismissed or converted.

The transmission and notice required by subsection (d) of Bankruptcy Rule 3017 shall be mailed by the proponent of the plan.

L.B.R. 3017.1-1 Disclosure Statement - Small Business Case.

(a) Procedure for Conditional Approval Under Bankruptcy Rule 3017.1.

A plan proponent in a small business case may seek conditional approval of a disclosure statement, subject to final approval after notice and hearing, by filing a motion with the Court contemporaneously with the filing of the proposed plan of reorganization. Such motion shall contain a certificate of service evidencing service upon the parties designated by Local Bankruptcy Rule 9007-1(b) and shall be accompanied by a proposed order. The motion may be presented to the Court for immediate consideration upon notice to the United States Trustee and any case trustee.

(b) Waiver.

A plan proponent in a small business case may seek to waive the requirement of a disclosure statement because the proposed plan of reorganization itself provides adequate information. Such waiver may be sought by motion to be filed contemporaneously with the proposed plan of reorganization. Such motion shall be served upon the parties designated by Local Bankruptcy Rule 9007-1(b) and may contain 14-day negative notice language.

L.B.R. 3018-1 Chapters 9 and 11- Acceptance or Rejection of Plans.

Unless the court orders otherwise, at least one business day prior to the hearing on confirmation, the proponent of a plan or other party who receives the acceptances or rejections shall file a ballot certification which identifies the amount and number of allowed claims of each class accepting or rejecting the plan and the amount of allowed interests of each class accepting or rejecting the plan. A copy of the certification shall be served on the debtor, case trustee, if any, United States Trustee and any committee appointed or elected in the case. On the basis of the certification, the Presiding Judge may find that the plan has been accepted or rejected.

Unless the court orders otherwise, an objection to confirmation shall be filed and served no later than 4 days, excluding intermediate weekends and holidays, prior to the date set for hearing on confirmation of the plan.

The application shall be served on the United States Trustee and all creditors and other parties in interest.

PART IV. THE DEBTOR: DUTIES AND BENEFITS

L.B.R. 4001-1 Automatic Stay - Relief From.

(a) Motions; Service.

No summons is required. The movant shall file with the Bankruptcy Clerk a certificate of service attached to the motion, evidencing the mode of service and the names and addresses of the parties served, and a certificate of conference evidencing compliance with Local Bankruptcy Rule 9014-1(c)(1). The motion shall contain a notice of the requirement of the filing of a response to the motion as set forth in subdivision (b) of this rule. A motion for relief from the automatic stay shall be served on the following parties:

- (1) In a chapter 11 case:
 - (A) The debtor, and, if the debtor is represented by an attorney, the attorney;
 - (B) Any attorney for a committee appointed or elected in the case, or if no attorney has been employed to represent the committee, through service on its members; and if no committee has been appointed or elected, the twenty largest unsecured creditors;
 - (C) The United States Trustee;
 - (D) Any trustee appointed in the case; and
 - (E) All parties requesting notice pursuant to Local Bankruptcy Rule 2002-1(j);
- (2) In a chapter 7, 12, or 13 case:
 - (A) The debtor, and, if the debtor is represented by an attorney, the attorney;
 - (B) Any attorney for a committee appointed or elected in the case, or if no attorney has been employed to represent the committee, through service on its members;
 - (C) The United States Trustee;
 - (D) The chapter 7, 12 or 13 trustee appointed in the case, and
 - (E) All parties requesting notice pursuant to Local Bankruptcy Rule 2002-1(j);

(b) Response Required.

Any party opposing the motion for relief from stay shall file a response within 14 days from the date of service of the motion. Such response shall include a detailed and comprehensive statement as to how the movant can be “adequately protected” if the stay is to be continued. If no response is filed, the allegations in the motion may be deemed admitted, and an order granting the relief sought may be entered by default.

(c) Discovery.

The time within which responses to discovery requests on automatic stay issues are due under Bankruptcy Rules 7028-7036 is shortened from 30 to 14 days. Similarly, depositions on automatic stay issues may be taken commencing at the expiration of 14 calendar days after service of the motion for relief from the automatic stay.

(d) Attorney Certification.

In any evidentiary hearing conducted on a motion for relief from the automatic stay, all counsel shall certify before the presentation of evidence: (1) that good faith settlement discussions have been held or why they were not held; (2) that all exhibits, appraisals and lists of witnesses (it is presumed that the debtor(s) will testify) have been exchanged at least 2 days, excluding intermediate weekends and holidays, in advance of the hearing date; and (3) the anticipated length of the hearing. Exhibits shall be marked in advance of the hearing and two bound, marked sets of exhibits shall be presented to the court prior to the commencement of the hearing.

(e) Preliminary Hearings; Dallas and Fort Worth Divisions.

Absent compelling circumstances warranting an alternative procedure, evidence presented at preliminary hearings in the Dallas and Fort Worth Divisions on motions for relief from the automatic stay will be by affidavit only. The party requesting the hearing shall serve evidentiary affidavits at least 7 days in advance of such hearing; the responding party shall serve evidentiary affidavits at least 2 days, excluding intermediate weekends and holidays, in advance of such hearing; the party requesting the hearing is responsible for determining that all other hearing participants known to such party are aware of this rule. Failure to file an evidentiary affidavit, or the failure of an attorney to attend a scheduled and noticed preliminary hearing may be grounds for default relief, regardless of the filing of a response to the motion.

(f) Continuation or Imposition of Automatic Stay.

- (1) Motion Required.** Any party that seeks a continuation or imposition of the automatic stay under 11 U.S.C. §§ 362(c)(3)(B) or -(c)(4)(B) shall file a motion with the court, and shall set the motion for hearing on notice to all parties against whom the movant seeks to continue or impose the stay.

- (2) **Filing, Service and Setting.** The motion shall be filed and served promptly upon the filing of a petition for relief under the Bankruptcy Code so that it may be heard by the court within 30 days of the date of the filing of the petition, and so that parties may be given at least 21 days' notice of the hearing without the need for an expedited or emergency hearing, which will be granted only in exceptional circumstances. A copy of the motion and notice of hearing shall be served on all parties against whom the debtor seeks to continue or impose the stay, and proof of such service shall be filed within 2 days, excluding intermediate weekends and holidays, after service of the motion.
- (3) **Content of Motion.** The motion shall:
- (A) specifically allege the identity of the creditor(s) as to which the movant seeks to continue or impose the stay;
 - (B) identify, by case number, any and all prior bankruptcy filings by the debtor;
 - (C) state whether the debtor has had more than one previous case pending within the preceding year;
 - (D) state whether any previous case was dismissed within the preceding year after the debtor failed to perform any of the acts set forth in 11 U.S.C. § 362(c)(3)(C)(i)(II);
 - (E) state whether there has been a substantial change in the financial or personal affairs of the debtor and, if so, support the statement with specific factual allegations;
 - (F) state whether any creditor moved for relief from the automatic stay in a previous case and, if so, the disposition of that motion; and
 - (G) allege specific facts entitling the movant to relief.
- (4) **Evidence Presented at Hearing.** At the hearing on the motion, the movant shall present evidence demonstrating that the new case is filed in good faith as to the creditor(s) to be stayed. The movant shall be present at the hearing to testify.

- (B) **Procedure for Admission.** Attorneys desiring admission to the bar of this court must complete an application for admission, to be approved by a district judge, and except as provided in subsection (c) of this rule, be introduced by a member in good standing of the bar of this court, and take the required oath or affirmation before a judge of this court. After the oath or affirmation is administered, and the applicant has paid the appropriate fee, the District Clerk shall issue a certificate stating that the attorney is admitted to practice before this court.
- (C) **Admission Before Judges of Other Districts.** Any nonresident attorney who has completed all requirements for admission to the bar of this court may, with the approval of a district judge of the division where the application is pending, have the oath of admission administered by a judge in another district. The nonresident attorney must file the oath with the District Clerk and pay the appropriate fee before the attorney's name will be added to the roll of attorneys for this district.

 - (i) the courts of the State of Texas;
 - (ii) the highest court of any other state or the District of Columbia; or
 - (iii) any federal court; or
- (2) if an attorney fails to maintain the right to practice law before the highest court of at least one state or the District of Columbia, unless the member's failure to maintain such right results from nonpayment of dues or failure to meet continuing legal education requirements.

(B) **Grounds for Disciplinary Action.** A Presiding Judge, after giving opportunity to show cause to the contrary, may take any appropriate disciplinary action against a member of the bar for:

- (1) conduct unbecoming a member of the bar;

An attorney appointed under this rule shall perform as requested unless relieved from doing so. An attorney desiring relief from appointment must move for such relief, which will be granted only upon a showing of good cause.
- (H) **Reciprocal Discipline.**
- (1) A member of the bar who is subject to suspension or disbarment under LR83.8(a) must be given written notice by the chief judge of the District Court, or by a district judge designated by the chief judge, that the court intends to suspend or disbar the member. The notice must identify the ground for imposing reciprocal discipline and provide the member an opportunity to show cause, within the time prescribed by the notice, why the member should not be suspended or disbarred.

- (2) If the member does not respond to the notice, or responds but does not oppose reciprocal discipline, the chief judge or a designee district judge may enter an appropriate order after the prescribed time for a response expires or the response is received.
 - (3) If the member responds and, in whole or in part, opposes reciprocal discipline, the chief judge, or a district judge designated by the chief judge, must designate three district judges to hear the matter. If the request for leave is denied, written designation of Local Counsel must be filed within 14 days of the denial.
 - (B) **Duties of Local Counsel.** Local Counsel must be authorized to present and argue a party’s position at any hearing called by the Presiding Judge on short notice. The original of the document must be referenced as an exhibit to the motion. If leave to file the document under seal is granted, the Bankruptcy Clerk must file the original of the document under seal.

L.B.R. 9077-2 Disposition of Sealed Documents.

Unless the Presiding Judge otherwise directs, all sealed documents maintained on paper will be deemed unsealed 60 days after final disposition of a case or proceeding. A party that desires that such a document remain sealed must move for this relief before the expiration of the 60-day period. The Bankruptcy Clerk may store, transfer, or otherwise dispose of unsealed documents according to the procedure that governs publicly available court records.

L.B.R. 9078-1 Submission of Files to the District Court.

After the expiration of the time for filing objections under Bankruptcy Rule 9033, or upon receipt of an order by a district judge withdrawing the reference pursuant to 28 U.S.C. § 157(d) and Bankruptcy Rule 5011, or upon the docketing of an appeal in the district court, the Bankruptcy Clerk shall submit the record of the case, proceeding or appeal to the District Clerk.

APPENDIX E

PROCEDURES FOR COMPLEX CHAPTER 11 CASES

The following procedures shall be implemented in complex Chapter 11 cases.

1. A “complex Chapter 11 case” is defined as a case filed in this district under Chapter 11 of the Bankruptcy Code that requires special scheduling and other procedures because of a combination of the following factors:
 - a. The size of the case (usually total debt of more than \$10 million);
 - b. The large number of parties in interest in the case (usually more than 50 parties in interest in the case);
 - c. The fact that claims against the debtor and/or equity interests in the debtor are publicly traded (with some creditors possibly being represented by indenture trustees); or
 - d. Any other circumstances justifying complex case treatment.
2. “Expedited” means a matter which, for cause shown, should be heard on less than 23 days’ notice. “Emergency” means a matter which, for cause shown, should be heard on less than 7 day’s notice.
3. If any party filing a Chapter 11 bankruptcy petition believes that the case should be classified as a complex Chapter 11 case, the party shall file with the bankruptcy petition a Notice of Designation as Complex Chapter 11 Case in the form.
4. If a party has “First Day” matters requiring emergency consideration by the court, it should submit a Request for Emergency Consideration of Certain “First Day” Matters.
5. Each judge shall arrange the judge’s calendar so that “first day” emergency hearings, as requested in the court-approved form entitled Request for Emergency Consideration of Certain First Day Matters, can be conducted consistent with the Bankruptcy Code and Rules, including Rule 4001, as required by the circumstances, but not more than 2 days, excluding intermediate weekends and holidays, after the request for emergency “first day” hearings.
6. When a party has filed a Chapter 11 case and filed a Notice of Designation as Complex Chapter 11 Case, the Clerk of Court shall:
 - a. Generally assign the case to a judge in accordance with the usual procedures and general orders of the district or division;
 - b. Immediately confer with the court about designating the case as a complex Chapter 11 case and about setting hearings on emergency or first day motions. If the court determines that the case does not qualify as a complex Chapter 11 case, the court shall issue an Order Denying Complex Case Treatment. If the court determines that the case appears to be a complex Chapter 11 case, the court shall issue an Order Granting Complex Chapter 11 Case Treatment; and

- c. Notify and serve counsel for the debtor with the order entered by the court relating to the complex case treatment and notify counsel for the debtor regarding the hearing settings for emergency first day matters.
2. Counsel for the debtor, upon receipt of notice of entry of an order regarding complex Chapter 11 case treatment, shall,
 - a. Serve the order granting or denying complex Chapter 11 case on all parties in interest within 7 days.
 - b. Provide notice of the first day emergency hearings in accordance with the Procedures for Obtaining Hearings in Complex Chapter 11 Cases.
3. Counsel shall follow the Agenda Guidelines for Hearings in Complex Chapter 11 Cases and the Guidelines For Mailing Matrices and Shortened Service Lists.

PROCEDURES FOR OBTAINING HEARINGS IN COMPLEX CHAPTER 11 CASES

I. Hearing on First Day Matters: Official Forms for Request for Expedited Consideration of Certain First Day Matters.

Upon the filing of a complex Chapter 11 case, if the debtor has matters that require expedited consideration (“first day” or “near first day” relief), the debtor should file a “Request for Expedited Consideration of Certain ‘First Day’ Matters” using the form of Exhibit B to the Procedures for Complex Chapter 11 Cases (“First Day Hearing Request”). The first day hearing request will be immediately forwarded by the clerk of court to the judge who has been assigned the complex Chapter 11 case (or if there are multiple, related debtor cases, to the judge assigned to the first-filed case). The court will hold a hearing within 2 business days of the time requested by the debtor’s counsel and the courtroom deputy will notify counsel for the debtor of the time of the setting. If the judge assigned to the complex Chapter 11 case is not available to hold the hearing within 2 business days of the time requested by the debtor’s counsel, an available judge will hold a hearing within 2 business days of the time requested by the debtor’s counsel and the courtroom deputy will notify counsel for the debtor of the time of the setting. The debtor’s counsel should (1) serve by fax and electronically, if the email address is available, (or by immediate hand-delivery) a copy of the first day hearing request on all affected parties, including the U.S. Trustee, simultaneously with its filing; and (2) notify by fax and electronically, if the email address is available, or telephonically (or by immediate hand delivery) all affected parties of the hearing time on first day matters as soon as possible after debtor’s counsel has received confirmation from the court. The court will allow parties in interest to participate telephonically at the hearing on first day matters whenever (and to the extent) practicable, and debtor’s counsel will be responsible for the coordination of the telephonic participation.

II. Pre-Set Hearing Dates.

The debtor may request (as one of its first day matters or otherwise) that the court establish in a complex Chapter 11 case a weekly/bi-monthly/monthly setting time (“Pre-Set Hearing Dates”) for hearings in the complex Chapter 11 case (e.g., every Wednesday at 1:30 p.m.). The court will accommodate this request for pre-set hearing dates in a complex Chapter 11 case if it appears justified. After pre-set hearing dates are established, all matters in the complex Chapter 11 case (whether initiated by a motion of the debtor or by another party in interest) will be set upon approval by the courtroom deputy on the first pre-set hearing date that is at least 23 days after the filing/service of a particular motion (unless otherwise requested by a party or ordered by the court) and the movant shall indicate the hearing date and time on the face of the pleading.

II. Notice of Hearing

Notice of hearing of matters scheduled for pre-set hearing dates shall be accomplished in the following manner in each district:

Northern District: By the moving party, who shall file a notice of hearing with a certificate of service that proper notice has been accomplished in accordance with these procedures.

Western District: By the moving party, who shall file a certificate that the notice has

been accomplished in accordance with these procedures.

Southern District: See Southern District of Texas procedures.

Eastern District: By the moving party, who shall file a certificate that the notice has been accomplished in accordance with these procedures.

IV. Case Emergencies (Other than the First Day Matters).

If a party in interest has an emergency or other situation that it believes requires consideration on less than 23-days' notice, the party should file and serve, a separate, written motion for expedited hearing, in respect of the underlying motion, and may present the motion for an expedited hearing either (a) ex parte at a regular docket call of the presiding judge, or (b) at the next available pre-set hearing date. The court will rule on the motion for expedited hearing within 24 hours of the time it is presented. If the court grants the motion for expedited hearing, the underlying motion will be set by the courtroom deputy at the next available pre-set hearing date or at some other appropriate shortened date approved by the court. Motions for expedited hearings will only be granted under emergency or exigent circumstances.

AGENDA GUIDELINES FOR HEARINGS IN COMPLEX CHAPTER 11 CASES

In complex Chapter 11 cases where five or more matters are noticed for the same hearing date, counsel for the debtor-in-possession, the party requesting the hearings, or trustee shall file and serve an agenda describing the nature of the items set for hearing.

1. Timing of Filing. Counsel shall file an agenda at least 24 hours prior to the date and time of the hearing. At the same time, counsel shall also serve the agenda (or confirm electronic service has been effectuated) upon all attorneys who have filed papers with respect to the matters scheduled and upon the service list.

2. Sequence of Items on Agenda. Uncontested matters should be listed ahead of contested matters. Contested matters should be listed in the order in which they appear on the court's docket.

3. Status Information. For each motion filed in the complex Chapter 11 case, each motion filed in an adversary proceeding concerning the Chapter 11 case, each objection to claim, or application concerning the case, the agenda shall indicate the moving party, the nature of the motion, the docket number of the pleadings, if known, the response deadline, and the status of the matter. The status description should indicate whether the motion is settled, going forward, whether a continuance is requested (and any opposition to the continuance, if known) and any other pertinent information.

4. Information for Motions in the Case. For each motion that is going forward, or where a continuance request is not consensual, the agenda shall also list all pleadings in support of the motion, and any objections or responses. Each pleading listed shall identify the entity that filed the pleading and the docket number of the pleading, if known. If any entity has not filed a responsive pleading, but has engaged in written or oral communications with the debtor, that fact should be indicated on the agenda, as well as the status or outcome of those communications. For an omnibus objection to claims, responses to the objection which have been continued by consent may be listed collectively (e.g., "the following responses have been continued by consent:").

5. Changes in Agenda Information. After the filing of the agenda, counsel shall notify judge's chambers by phone or letter of additional related pleadings that have been filed, and changes in the status of any agenda matter.

6. The requirements listed above should not be construed to prohibit other information of a procedural nature that counsel thinks would be helpful to the court.

ALL MOTIONS AND PLEADINGS SHALL CONTAIN THE HEARING DATE AND TIME BELOW THE CASE/ADVERSARY NUMBER

**GUIDELINES FOR MAILING MATRICES AND
SHORTENED SERVICE LISTS
IN COMPLEX CHAPTER 11 CASES**

I. Mailing List or Matrix (a/k/a the Rule 2002 Notice List)

A. Helpful Hints Regarding Whom to Include on the Mailing Matrix in a Complex Chapter 11 Case.

There are certain events and deadlines that occur in a Chapter 11 case which Bankruptcy Rule 2002 requires be broadly noticed to all creditors, indenture trustees, equity interest holders, and other parties in interest (“Rule 2002 notice list”). To facilitate this, Local Bankruptcy Rule 1007-2 requires a debtor to file a mailing list or matrix at the commencement of any case. This list must include all creditors, equity interest holders, and certain other parties in interest (who might be impacted by any relief granted in the bankruptcy case), in order to ensure that parties receive reasonable and adequate notice and are insured due process. When preparing the mailing matrix and after consultation with the clerk of court, debtor’s counsel shall evaluate and consider whether the following people are required to be included:

1. Creditors (whether a creditor’s claim is disputed, undisputed, contingent, non-contingent, liquidated, unliquidated, matured, unmatured, fixed, legal, equitable, secured or unsecured);
2. Indenture trustees;
3. Financial institutions at which the debtor has maintained accounts (regardless of whether such institutions are creditors);
4. Vendors with whom the debtor has dealt, even if the debtor’s records currently indicate no amount is owed;
5. Parties to contracts, executory contracts or leases with the debtor;
6. All federal, state, or local taxing authorities with which the debtor deals, including taxing authorities in every county in which the debtor owns real or personal property with regard to which ad valorem taxes might be owed;
7. All governmental entities with which the debtor might interact (including, but not limited to, the U.S. Trustee and the SEC);
8. Any party who might allege a lien on property of the debtor;
9. Parties to litigation involving the debtor;
10. Parties with which the debtor might be engaged in some sort of dispute, whether or not a claim has formally been made against the debtor;
11. Tort claimants or accident victims;
12. Insurance companies with whom the debtor deals or has policies;
13. Active and retired employees of the debtor;
14. Officers or directors of the debtor;
15. Customers who are owed deposits, refunds, or store credit;
16. Utilities;
17. Shareholders (preferred and common), holders of options, warrants or other rights or equitable interests in the debtor;

18. Miscellaneous others who, in debtor's counsel's judgment, might be entitled to "party in interest" status or who have requested notice.

B. Flexible ("User-Friendly") Format Rules for Mailing Matrix in a Complex Chapter 11 Case in Which Debtor's Counsel Serves Notices.

In a complex Chapter 11 case, where the mailing matrix is likely to be very lengthy, the following special format rules will apply, in lieu of Local Bankruptcy Rule 1007-2, whenever it is the debtor's responsibility to serve notices in the case. The debtor (since it will typically be the party serving all notices in the Chapter 11 case rather than the clerk of court) may create the mailing matrix in whatever format it finds convenient so long as it is neatly typed in upper and lower case letter-quality characters (in no smaller than 10 point and no greater than 14 point type, in either Courier, Times Roman, Helvetica or Orator font) on 8-1/2 x 11 inch blank, unlined, standard white paper. The mailing matrix, if lengthy, should ideally include separate subheadings throughout, to help identify categories of parties in interest. By way of example the following subheadings (among others) might be used:

Debtor and its Professionals
Secured Creditors
Indenture Trustees
Unsecured Creditors
Governmental Entities
Current and Retired Employees
Officers and Directors
Tort Claimants
Parties to Executory Contracts
Equity Interest Holders
Etc.

Parties in interest within each category/subheading should be listed alphabetically. Also, the mailing matrix may be filed in separate volumes, for the separate categories of parties of interest, if the mailing matrix is voluminous (e.g., Volume 2: Unsecured Creditors). Finally, if there are multiple, related debtors and the debtors intend to promptly move for joint administration of their cases, the debtors may file a consolidated mailing matrix, subject to later being required to file separate mailing matrices if joint administration is not permitted.

C. When Inclusion of Certain Parties in Interest on a Mailing Matrix is Burdensome.

If inclusion of certain categories of parties in interest on the mailing matrix would be extremely impracticable, burdensome and costly to the estate, the debtor may file a motion, pursuant to Bankruptcy Rule 2002(1), requesting authority to provide notice by publication in lieu of mailing certain notices to certain categories of parties in interest and may forego including those categories of parties in interest on the mailing matrix in the court grants the motion.

II. Shortened Service List Procedure in a Complex Chapter 11 Case.

A. Procedures/Contents/Presumptions.

If the court has entered an order granting complex Chapter 11 case treatment, the debtor shall provide service as required by ¶1 of that order. If the court has not entered such an order, the debtor may move to limit notice - that is, for approval of a shortened service list - that will be acceptable for noticing most events in the bankruptcy case, other than those events/deadlines that Bankruptcy Rule 2002 contemplates be served on all creditors and equity interest holders. At a minimum, the shortened list should include the debtor and its professionals, the secured creditors, the 20 largest unsecured creditors, any official committees and the professional for same, the U.S. Trustee, the IRS and other relevant governmental entities, and all parties who have requested notice. Upon the court's approval of a shortened service list in a complex Chapter 11 case, notice in any particular situation during a case shall be presumed adequate if there has been service on (1) the most current service list on file in the case; plus (2) any other party directly affected by the relief requested and not otherwise included on the service list.

B. Obligation to Update, File and Serve Service List

The debtor must update the service list as parties request to be added to it or as circumstances otherwise require. To be added to the list, a party should file a notice of appearance and request for service and serve the notice on debtor's counsel. Parties should include fax or email transmission information if they wish to receive expedited service of process during the case. Additionally, the debtor should file an updated service list and should serve a clean and redlined copy of the updated service list on all parties on the service list weekly for the first month after filing, then bi-monthly for the next 60 days, then monthly thereafter during the pendency of the case. If, in a particular month, there are no changes to the service list, the debtor should simply file a notice with the court so stating.

NOTICE

The following are guidelines governing the most significant issues related to applications for compensation and expense reimbursement. The guidelines cover the narrative portion of an application, time records, and expenses. It applies to all professionals with the exception of chapter 7 and chapter 13 trustees, but is not intended to cover every situation. All professionals are required to exercise reasonable billing judgment, notwithstanding total hours spent.

If, in a chapter 11 case, a professional to be employed pursuant to section 327 or 1103 of the Bankruptcy Code desires to have the terms of its compensation approved pursuant to section 328(a) of the Bankruptcy Code at the time of such professional's retention, then the application seeking such approval should so indicate and the Court will consider such request after an evidentiary hearing on notice to be held after the United States trustee has had an opportunity to form a statutory committee of creditors pursuant to section 1102 of the Bankruptcy Code and the debtor and such committee have had an opportunity to review and comment on such application. At a hearing to consider whether a professional's compensation arrangement should be approved pursuant to section 328(a), such professional should be prepared to produce evidence that the terms of compensation for which approval under section 328(a) is sought comply with the certification requirements of section I.G(3) of these guidelines.

I. NARRATIVE

A. Employment and Prior Compensation

The application should disclose the date of the order approving applicant's employment and contain a clear statement itemizing the date of each prior request for compensation, the amount requested, the amount approved, and the amount paid.

B. Case Status

With respect to interim requests, the application should briefly explain the history and the present posture of the case, including a description of the status of pending litigation and the amount of recovery sought for the estate.

In chapter 11 cases, the information furnished should describe the general operations of the debtor; whether the business of the debtor, if any, is being operated at a profit or loss; the debtor's cash flow; whether a plan has been filed, and if not, what the prospects are for reorganization and when it is anticipated that a plan will be filed and a hearing set on the disclosure statement.

In chapter 7 cases, the application should contain a report of the administration of the case including the disposition of property of the estate; when property remains to be disposed of: why the estate is not in a position to be closed; and whether it is feasible to pay an interim dividend to creditors.

In both chapter 7 and chapter 11 cases, the application should state the amount of money on hand in the estate and the estimated amount of other accrued expenses of administration. On applications for interim fees, the applicant should orally supplement the application at the hearing to inform the Court of any changes in the current financial status of the debtor's estate since the filing of the application. All retainers, previous draw downs, and fee applications and orders should be listed specifying the date of the event and the amounts involved and drawn down or allowed.

With respect to final requests, applications should meet the same criteria except where a chapter 7 trustee's final account is being heard at the same time, the financial information in final account need not be repeated..

Fee applications submitted by special counsel seeking compensation from a fund generated directly by their efforts, auctioneers, real estate brokers, or appraisers do not have to comply with the above. For all

other application, when more than one application is noticed for the same hearing, they may, to the extent appropriate, incorporate by reference the narrative history furnished in a contemporaneous application.

C. Project Billing

This is required in all cases where the applicant's professional fee is expected to exceed \$10,000.00. The narrative should be categorized by subject matter, and separately discuss each professional project or task. All work for which compensation is requested should be in a category. Miscellaneous items may be included in a category such as "Case Administration." The professional may use reasonable discretion in defining projects for this purpose, provided that the application provides meaningful guidance to the Court as to the complexity and difficulty of the task, the professional's efficiency, and the results achieved. With respect to each project or task, the number of hours spent and the amount of compensation and expenses requested should be set forth at the conclusion of the discussion of that project or task. In larger cases with multiple professionals, efforts should be made by the professionals for standard categorization.

D. Billing Summary

Hours and total compensation requested in each application should be aggregated and itemized as to each professional and paraprofessional who provided compensable services. Dates of changes in rates should be itemized as well as reasons for said changes.

E. Paraprofessionals

Fees may be sought for paralegals, professional assistants and law clerks only if identified as such and if the application includes a resume or summary of the paraprofessional's qualifications.

F. Preparation of Application

Reasonable fees for preparation of a fee application and responding to objections thereto may be requested. The aggregate number of hours spent, the amount requested, and the percentage of the total request which the amount represents must be disclosed. If the actual time spent will be reflected and charged in a future fee application, this fact should be stated, but an estimate provided, nevertheless.

G. Certification

Each application for compensation and expense reimbursement must contain a certification by the professional designated by the applicant with the responsibility in the particular case for compliance with

these guidelines (“Certifying Professional”) that 1) the Certifying Professional has read the application; 2) to the best of the Certifying Professional’s knowledge, information and belief, formed after reasonable inquiry, the compensation and expense reimbursement sought is in conformity with these guidelines, except as specifically noted in the application; and 3) the compensation and expense reimbursement requested are billed at rates, in accordance with practices, no less favorable than those customarily employed by the applicant and generally accepted by the applicant’s clients.

H. Interim Compensation Arrangements in Complex Cases

In a complex case, the Court may, upon request, consider at the outset of the case approval of an interim compensation mechanism for estate professionals that would enable professionals on a monthly basis to be paid up to 80% of their compensation for services rendered and reimbursed up to 100% of their actual and necessary out of pocket expenses. In connection with such a procedure, if approved in a particular complex case, professionals shall be required to circulate monthly billing statements to the U.S. Trustee and other primary parties in interest, and the Debtor in Possession or Trustee will be authorized to pay the applicable percentage of such bill not disputed or contested by a party in interest.

II. TIME RECORDS

A. Time Records Required

All professionals, except auctioneers, real estate brokers, and appraisers must keep accurate contemporaneous time records.

B. Increments

Professionals are required to keep time records in minimum increments no greater than six minutes. Professionals who utilize a minimum billing increment greater than 1 hour are subject to a substantial reduction of their requests.

C. Descriptions

At a minimum, the time entries should identify the person performing the service, the date(s) performed, what was done, and the subject involved. Mere notations of telephone calls, conferences, research, drafting, etc., without identifying the matter involved, may result in disallowance of the time covered by the entries.

D. Grouping of Tasks

If a number of separate tasks are performed on a single day, the fee application should disclose the time spent for each such task, i.e., no “grouping” or “clumping.” Minor administrative matters may be lumped together where the aggregate time attributed thereto is relatively minor. A rule of reason applies as to how specific and detailed the breakdown needs to be. For grouped entries, the applicant must accept the Court inferences therefrom.

E. Conferences

Professionals should be prepared to explain time spent in conferences with other professionals or paraprofessionals in the same firm. Relevant explanation would include complexity of issues involved and the necessity of more individuals’ involvement. Failure to justify this time may result in disallowance of all, or a portion of, fees related to such conferences.

F. Multiple Professionals

Professional should be prepared to explain the need for more than one professional or paraprofessional from the same firm at the same court hearing, deposition, or meeting. Failure to justify this time may result in compensation for only the person with the lowest billing rate. The Court acknowledges, however, that in complex chapter 11 cases the need for multiple professionals’ involvement will be more common and that in hearings involving multiple or complex issues, a law firm may justifiably be required to utilize multiple attorneys as the circumstances of the case require.

G. Travel Time

Travel time is compensable at one-half rates, but work actually done during travel time is fully compensable.

H. Administrative Tasks

Time spent in addressing, stamping and stuffing envelopes, filing, photocopying or “supervising” any of the foregoing is generally not compensable, whether performed by a professional, paraprofessional, or secretary.

III. EXPENSES

A. Firm Practice

The Court will considered the customary practice of the firm in charging or not charging non-bankruptcy/insolvency clients for particular expense items. Where any other clients, with the exception of pro-bono clients, are not billed for a particular expense, the estate should not be billed. Where expenses are billed to all other clients, reimbursement should be sought at the least expensive rate the firm or professional charges to any client for comparable services or expenses. It is recognized that there will be differences in billing practices among professionals.

B. Actual Cost

This is defined as the amount paid to a third party provider of goods or services without enhancement for handling or other administrative charge.

C. Documentation

This must be retained and made available upon request for all expenditures in excess of \$50.00. Where possible, receipts should be obtained for all expenditures.

D. Office Overhead

This is not reimbursable. Overhead includes: secretarial time, secretarial overtime (where clear necessity for same has not been shown), word processing time, charges for after-hour and weekend air conditioning and other utilities, and cost of meals, or transportation provided to professionals and staff who work late or on weekends.

E. Word Processing

This is not reimbursable.

F. Computerized Research

This is reimbursable at actual cost. For large amounts billed to computerized research, significant explanatory detail should be furnished.

G. Paraprofessional Services

These services may be compensated as a paraprofessional under §330, but not charged or reimbursed as an expense.

H. Professional Services

A professional employed under §327 may not employ, and charge as an expense, another professional (e.g., special litigation counsel employing an expert witness) unless the employment of the second professional is approved by the Court prior to the rendering of service.

I. Photocopies (Internal)

Charges must be disclosed on an aggregate and per-page basis. If the per-page cost exceeds \$.20, the professional must demonstrate to the satisfaction of the Court, with data, that the per-page cost represents a good faith estimate of the actual cost of the copies, based upon the purchase or lease cost of the copy machine and supplies therefor, including the space occupied by the machine, but not including time spent in operating the machine.

J. Photocopies (Outside)

This item is reimbursable at actual cost.

K. Postage

This is reimbursable at actual cost.

L. Overnight Delivery

This is reimbursable at actual cost where it is shown to be necessary. The court acknowledges that in complex chapter 11 cases overnight delivery or messenger services may often be appropriate, particularly when shortened notice of a hearing has been requested.

M. Messenger Service

This is reimbursable at actual cost where it is shown to be necessary. An in-house messenger service is reimbursable, but the estate cannot be charged more than the cost of comparable services available outside the firm.

N. Facsimile Transmissions

The actual cost of telephone charges for outgoing transmissions is reimbursable. Transmissions received are reimbursable on a per-page basis. If the per-page cost exceeds \$.20, the professional must demonstrate, with data, to the satisfaction of the Court, that the per-page cost represents a good faith estimate of the actual cost of the copies, based upon the purchase or lease cost of the facsimile machine and supplies therefor, including the space occupied by the machine, but not including time spent in operating the machine.

O. Long Distance Telephone

This is reimbursable at actual cost.

P. Parking

This is reimbursable at actual cost.

Q. Air Transportation

Air travel is expected to be at regular coach fare for all flights.

R. Hotels

Due to wide variation in hotel costs in various cities, it is not possible to establish a single guideline for this type of expense. All persons will be required to exercise reasonable discretion and prudence in connection with hotel expenditures.

S. Meals (Travel)

Reimbursement may be sought for the reasonable cost of breakfast, lunch and dinner while traveling.

T. Meals (Working)

Working meals at restaurants or private clubs are not reimbursable. Reasonable reimbursement may be sought for working meals only where food is catered to the professional's office in the course of a meeting with clients, such as a Creditors' Committee, for the purpose of allowing the meeting to continue through a normal meal period.

U. Amenities

Charges for entertainment, alcoholic beverages, newspapers, dry cleaning, shoe shines, etc. are not reimbursable.

V. Filing Fees

These are reimbursable at actual cost.

W. Court Reporter Fees

These are reimbursable at actual cost.

X. Witness Fees

These are reimbursable at actual cost.

Y. Process Service

This is reimbursable at actual cost.

Z. UCC Searches

These are reimbursable at actual cost.

APPENDIX G
GUIDELINES FOR EARLY DISPOSITION OF ASSETS IN
CHAPTER 11 CASES, THE SALE OF SUBSTANTIALLY ALL ASSETS UNDER
11 U.S.C. § 363 AND OVERBID AND TOPPING FEES

The following guidelines are promulgated as a result of the increasing use of pre-negotiated or pre-packaged plans and 11 U.S.C. § 363 sales to dispose of substantially all assets of a Chapter 11 debtor shortly after the filing of the petition. The guidelines recognize that parties in interest perceive the need at times to act expeditiously on such matters. In addition, the guidelines are written to provide procedural protection to the parties in interest. The court will consider requests to modify the guidelines to fit the circumstances of a particular case.

OVERBIDS AND TOPPING FEES

1. Topping Fees and Break-up Fees. Any request for the approval of a topping fee or break-up fee provision shall be supported by a statement of the precise conditions under which the topping fee or break-up fee would be payable and the factual basis on which the seller determined the provision was reasonable. The request shall also disclose the identities of other potential purchasers, the offers made by them (if any), and the nature of the offer, including, without limitation, any disclosure of their plans as it relates to retention of debtor's employees.
2. Topping fees, break-up fees, overbid amounts and other buyer protection provisions will be reviewed on a case by case basis and approved if supported by evidence and case law. Case law may not support buyer protection provisions for readily marketable assets.
3. In connection with a request to sell substantially all assets under § 363 within 60 days of the filing of the petition, buyer protections may be considered upon motion, on an expedited basis.

THE SALE OF SUBSTANTIALLY ALL ASSETS UNDER SECTION 363 WITHIN 60 DAYS OF THE FILING OF THE PETITION

1. The Motion to Sell. In connection with any hearing to approve the sale of substantially all assets at any time before 60 days after the filing of the petition, a motion for an order authorizing a sale procedure and hearing or the sale motion itself when regularly noticed, should include factual information on the following points:
 - a. Creditors' Committee. If a creditors' committee existed pre-petition, indicate the date and manner in which the committee was formed, as well as the identity of the members of the committee and the companies with which they are affiliated.
 - b. Counsel for Committee. If the pre-petition creditors' committee retained counsel, indicate the date counsel was engaged and the selection process, as well as the identify of committee counsel.
 - c. Sale Contingencies. Statement of all contingencies to the sale agreement, together with a copy of the agreement.

- d. Creditor Contact List. If no committee has been formed, a list of contact persons, together with fax and phone numbers for each of the largest 20 unsecured creditors.
- e. Administrative Expenses. Assuming the sale is approved, an itemization and an estimate of administrative expenses relating to the sale to be incurred prior to closing and the source of payment for those expenses.
- f. Proceeds of Sale. An estimate of the gross proceeds anticipated from the sale, together with an estimate of the new proceeds coming to the estate with an explanation of the items making up the difference. Itemize all deductions that are to be made from gross sale proceeds and include a brief description of the basis for any such deductions.
- g. Debt Structure of Debtor. A brief description of the debtor's debt structure, including the amount of the debtor's secured debt, priority claims and general unsecured claims.
- h. Need for Quick Sale. An extensive description of why the assets of the estate must be sold on an expedited basis. Include a discussion of alternatives to the sale.
- i. Negotiating Background. A description of the length of time spent in negotiating the sale, and which parties in interest were involved in the negotiation, along with a description of the details of any other offers to purchase, including, without limitation, the potential purchaser's plans in connection with retention of the debtor's employees.
- j. Marketing of Assets. A description of the manner in which the assets were marketed for sale, including the period of time involved and the results achieved.
- k. Decision to Sell. The date on which the debtor accepted the offer to purchase the assets.
- l. Relationship of Buyer. A statement identifying the buyer and setting forth all of the buyer's (including its officers, directors and shareholders) connections with the debtor, creditors, any other party in interest, their respective attorneys, accountants, the U.S. Trustee or any person employed in the office of the U.S. Trustee.
- m. Post Sale Relationship with Debtor. A statement setting forth any relationship or connection the debtor (including its officers, directors, shareholders and employees) will have with the buyer after the consummation of the sale, assuming it is approved.
- n. Relationship with Secured Creditors. If the sale involves the payment of all or a portion of secured debt(s), a statement of all connections between debtor's officers, directors, employees or other insiders and each secured creditor involved (for example, release of insider's guaranty).
- o. Insider Compensation. Disclosure of current compensation received by officers, directors, key employees or other insiders pending approval of the sale.
- p. Notice Timing. Notice of the hearing on the motion to approve the motion to sell will be provided as is necessary under the circumstances.

2. Proposed Order Approving Sale. A proposed order approving the sale must be included with the motion or the notice of hearing. A proposed final order and redlined version of the order approving the sale should be provided to chambers twenty-four hours prior to the hearing.
3. Good Faith Finding. There must be an evidentiary basis for a finding of good faith under 11 U.S.C §363(m).
4. Competing Bids. Unless the court orders otherwise, competing bids may be presented at the time of the hearing. The motion to sell and the notice of hearing should so provide.
5. Financial Ability to Close. Unless the court orders otherwise, any bidder must be prepared to demonstrate to the satisfaction of the court, through an evidentiary hearing, its ability to consummate the transaction if it is the successful bidder, along with evidence regarding any financial contingencies to closing the transaction.
6. Hearing and Notice Regarding Sale. Unless the court orders otherwise, all sales governed by these guidelines, including auctions or the presentation of competing bids, will occur at the hearing before the court. The court may, for cause, including the need to maximize and preserve asset value, expedite a hearing on a motion to sell substantially all assets under §363.

COMMENTS TO CASH COLLATERAL AND DIP FINANCING CHECKLIST

1. Interim vs. Final Orders

- a. Stipulations in preliminary or interim orders should be minimized. Notice is generally not adequate to test the validity of stipulations, and they should be avoided to the extent not absolutely necessary to the interim approval process.
- b. Simply state the nature of notice given; do not recite notice was “sufficient and adequate” since that is usually not the case particularly on the first day. The order should simply note that the financing is being approved pursuant to Bankruptcy Rule 4001(c)(2) authorizing such financing to avoid immediate and irreparable harm.
- c. Adequate protection for the use of pre-petition cash collateral may be granted to the extent of a diminution of collateral. The court will not approve on an interim basis language that adequate protection is granted in the form of replacement liens on post-petition assets based on stipulations that use of cash collateral shall be deemed a dollar for dollar decrease in the value of the pre-petition collateral.” At the final hearing, the court will consider evidence to determine the extent to which the lender’s pre-petition collateral has or is likely to diminish in value. That evidence will inform the extent to which adequate protection will be granted.
- d. The court expects that other parties in interest will be involved in the process of developing an interim cash collateral order to the extent practicable. If the court finds that the debtor and lender have not made reasonable efforts to afford the best notice possible, preliminary relief will not be granted until parties in interest have had a reasonable opportunity to review and comment on any proposed interim order.
- e. Bankruptcy Rule 4001(b) and (c) limit the extent to which the court may grant relief on less than 15 days’ notice. The debtor and the lender must negotiate interim orders within the confines of that authority. Interim orders shall be expressly without prejudice to the rights of parties in interest at a final hearing.

2. Stipulations

- a. The lender may request a stipulation as to the amount, validity, priority and extent of the pre-petition documents. The stipulation will only be approved if the order provides the stipulation is binding on other parties in interest only after the passage of an appropriate period of time (customarily 90 days) during which the parties in interest will have the opportunity to test the validity of the lien and the allowance of the claim.

3. Grant of Liens

- a. Liens granted in the cash collateral and DIP financing orders may not secure pre-petition debts. Financing orders should not be used to elevate a pre-petition lender's collateral inadequacy to a fully secured status.
- b. Avoidance actions are frequently one of the few sources of recovery for creditors other than secured lenders. Orders granting liens on these unencumbered assets for the benefit of the lender will require a showing of extraordinary circumstances. In most cases the adequate protection grant will protect the lender since the lender will have a super priority under § 507(b) that will give the lender who suffers a failure of adequate protection a first right to payment out of the proceeds from such actions before payment of any other expenses of the Chapter 11 case. Avoidance actions in the event of a conversion to Chapter 7 may be the only assets available to fund the trustee's discharge of his or her statutory duties.
- c. Similarly, limitations on the surcharge of the lender's collateral under § 506(c) are disfavored. The secured creditor may be the principal beneficiary of the proceedings in Chapter 11. Since the burden to surcharge requires a showing of direct benefit to the lender's collateral, lenders are not unreasonably exposed to surcharges of their collateral. And in light of the decision in *Hartford Underwriter's Insurance Co. v. Union Planters Bank N.A. (In re Hen House Interstate Inc.)*, 530 U.S. 1, 120 S.Ct. 1942 (2000), only the DIP or the trustee may recover under § 506(c).

4. Modification of Stay

- a. Authority for unilateral action by lender without necessity to return to court to establish post-petition default or breach or at least a notice to parties in interest will not be approved. If the cash collateral or financing order provides for a termination of the automatic stay in the event of a default, parties in interest must have an opportunity to be heard before the stay lifts.

5. Restrictions on Plan Process

- a. The court will not approve cash collateral orders (or post-petition financing orders that are in substance cash collateral orders that have the effect of converting all the pre-petition liens and claims to post-petition liabilities under the guise of collecting pre-petition accounts and re-advancing them post-petition) that have the effect of converting pre-petition secured debt into post-petition administrative claims that must be paid in full in order to confirm a plan. That type of provision unfairly limits the ability and flexibility of the debtor and other parties in interest to formulate a plan. That type of provision, granted at the outset of a case, effectively compels the debtor to pay off the secured lender in full on the effective date and has the consequence of eviscerating § 1129(b).

- b. On the other hand, persons who are advancing new money to the debtor post-petition may include in financing orders provisions that the post-petition loans have a § 364(c)(1) super-super priority.

6. Loan Agreements

- a. If there will be a loan agreement, the language of the financing order does not need to restate all of the terms of the loan agreement. The financing motion should, however, summarize the essential elements of the proposed borrowing or use of cash collateral, such as, amount of loan facility, sublimits on availability, borrowing base formula, conditions to new advances, interest rate, maturity, events of default, limitation on use of funds and description of collateral.

7. Professional Fees

- a. To the extent consistent with the market for similar financings, the lender may request reimbursement of reasonable professional fees. The lender should provide reasonably detailed invoices to the debtor and the committees so a proper assessment of reasonableness can be made.
- b. The parties may agree on carve-outs for estate professionals. Lenders may exclude from the carve-out payment of professional fees for litigation of the extent, validity or perfection of the lender's claim as well as prosecution of lender liability suits. The carve-out should not, however, exclude the due diligence work by the committee or its professionals to determine whether a challenge to the lender is justified.

8. Work Fees/Loan Fees

- a. Underwriting a substantial DIP loan may involve both direct out-of-pocket expenses and, at times, a certain lost opportunity cost. The debtor may move for the reimbursement of its lender's direct out-of-pocket expenses. The debtor and lender must be prepared to establish actual out-of-pocket costs, the reasonableness of the costs, and that the type of costs are actually paid in the market. On a case-by-case basis, the court will consider on an expedited basis the debtor's request to pay a reasonable up-front fee to a prospective DIP lender to reimburse it for direct out-of-pocket costs. In addition, in connection with approving a DIP loan facility, on motion of the debtor, the court will consider evidence of market rates and pricing for comparable loans in determining whether commitment fees, facility or availability fees, and other up-front or periodic loan charges are appropriate. The lender must provide evidence that it actually has provided or will provide the services customarily associated with these fees.

| ALL CHAPTER 13 CASES | § | |

IT IS HEREBY ORDERED:

1. EFFECTIVE DATE AND NOTICES HEREOF. Unless otherwise provided herein or ordered by the Court in an individual case, effective December 1, 2009, this General Order governs and supersedes General Orders 98-4, 2002-03, 2004-01, 2005-05, 2006-01, 2006-08 and 2007-02 regarding all Chapter 13 cases filed on or after October 17, 2005, in all Divisions of the United States Bankruptcy Court for the Northern District of Texas. Conspicuous notice of this General Order shall accompany the Notice of Section 341 Meeting of Creditors. The Chapter 13 Trustee shall place a copy of this General Order on the Trustee's website and, upon request, shall furnish a copy of it to any party in interest in any pending case.

2. DEFINITIONS. The following definitions shall apply to this General Order:

Base Amount - The sum of the Payments in the Debtor's confirmed or modified Plan.

Claims Bar Date - for all claims other than claims of governmental units, 90 days after the first date set for the Section 341 Meeting of Creditors (Fed. R. Bankr. P. 3002) and, for claims of governmental units (11 U.S.C. § 502(b)(9)), 180 days after the date of the order for relief or 60 days after the date of the filing of a tax return under Section 1308 of the Bankruptcy Code, whichever is later.

Collateral - The property securing a claim.

Debtor's Counsel - The attorneys representing the Debtor and, with regard to pro se debtors, the Debtor.

Payment - The amount to be paid by the Debtor to the Trustee beginning no later than 30 days after the Petition Date (and each month thereafter until Plan completion) in accordance with Section 1326(a)(1)(A) of the Bankruptcy Code and as specified in the Plan, the Order Confirming the Plan, or the Order approving any modification of the Plan. A Payment

may be for purposes of a pre-confirmation or post-confirmation disbursement, may include payments for leases of personal property that become due after the Petition Date in accordance with Section 1326(a)(1)(B) of the Bankruptcy Code, and/or adequate protection payments in accordance with Section 1326(a)(1)(C) of the Bankruptcy Code, to the extent the Trustee makes such payments.

Petition Date - The date the Chapter 13 case was filed or the date of conversion to Chapter 13 from another chapter.

Plan - The document to be filed by the Debtor within 14 days of the Petition Date and any amendment (pre-confirmation) or modification (post-confirmation) thereto on a form approved by the Trustee and containing all information required by the Trustee's form. Any changes or additions to the Trustee's approved form shall be underscored and/or printed in a distinctly different font, and shall be placed at the end of the document so as to be obvious and conspicuous. Any changes to the Trustee's approved form that do not conform to the preceding sentence shall not be considered a part of the Plan as confirmed by the Court.

Service - Service upon an attorney or party may be by personal delivery, facsimile transmission, e-mail (if the attorney or party has consented to electronic notice under General Order 2004-06) or by United States first-class mail addressed to the address provided by the Debtor pursuant to 11 U.S.C. § 521; however, if an address has been provided to the Debtor pursuant to 11 U.S.C. § 342 or Fed. R. Bankr. P. 2002(g)(1), or to the Clerk pursuant to 11 U.S.C. § 505(b)(1) and Fed. R. Bankr. P. 5003(e), then service shall be to that address, or as otherwise ordered by the Court pursuant to Fed. R. Bankr. P. 2002(p)(1). Service by mail is complete upon mailing. Service of a Notice of Electronic Filing or a Daily Summary Report of Bankruptcy Filings (as both are defined in General Order 2004-06) is the equivalent of service of the document by first-class mail, postage prepaid, by the approved participant in the Court's Electric Filing Program (as defined by General Order 2004-06). Electronic service is complete upon electronic confirmation of electronic service. When there is a right or requirement to do some act or undertake some proceedings within a prescribed period after service of a notice or other paper and the notice or paper is served by United States first-class mail, three days shall be added to the prescribed period. When a Debtor is represented by an attorney, service shall be on both the Debtor and Debtor's Counsel.

Surrendered Collateral - The Collateral to be surrendered under the Plan.

Trustee - The Trustee appointed in the case by the United States Trustee, including the Standing Chapter 13 Trustee, or the United States Trustee if serving as Trustee in the case.

3. DISMISSAL WITHOUT FURTHER NOTICE. A Chapter 13 petition may be dismissed without prejudice after 14 days (as to subsection "d-5" and "e" deficiencies) or seven (7) days (as to subsections "a," "b," "c," "d-1," "d-2," "d-3," or "d-4" deficiencies) if prior written Notice of Intent to Dismiss ("NOI") is filed with the Court and served on the Debtor and Debtor's Counsel, and without further notice unless any default or deficiency is cured prior to

the expiration of such period. The Clerk is authorized to enter an Order of Dismissal upon certification by the Trustee, or such other authority ordered by the Court or allowed by law, that:

a. The Debtor did not file all of the documents required by Sections 521(a)(1) and 521(b) of the Bankruptcy Code within 14 days of the Petition Date, unless within such time the Debtor filed a motion to extend such time; or

b. The Debtor did not file with the petition or serve on all scheduled creditors (or to be scheduled creditors if the schedules have not yet been filed), a Plan as required by Section 1321 of the Bankruptcy Code and Fed. R. Bankr. P. 3015(b) and an Authorization for Adequate Protection Disbursement as required herein on forms prescribed by the Trustee within 14 days of the Petition Date, unless within such time(s) the Debtor filed with the Clerk and served on all scheduled creditors (or to be scheduled creditors) a motion to extend such time(s); or

c. The Debtor did not pay to the Trustee within 30 days after the Petition Date the first Payment specified in the Plan as required by Section 1326(a)(1) of the Bankruptcy Code; or

d-1. The Debtor failed to attend the Section 341 Meeting of Creditors as required by Section 343 of the Bankruptcy Code (the "Section 341 Meeting") or any continued Section 341 Meeting which the Trustee required the Debtor to attend, without the agreement of the Trustee to continue the Section 341 Meeting; or

d-2. The Debtor failed to provide to the Trustee not later than 7 days before the date first set for the Section 341 Meeting, a copy of the Federal Income Tax Return or a transcript for the most recent tax year ending immediately before the Petition Date for which a return was filed, as required by Section 521(e)(2)(A)(i) of the Bankruptcy Code, or the Debtor failed to timely file with the appropriate taxing authorities, tax returns as required by Section 1308 of the Bankruptcy Code, unless the Trustee agrees to hold open the Section 341 Meeting (up to 120 days) as provided in Section 1308(b)(1) of the Bankruptcy Code, or unless extended by the Court as provided in Section 1308(b)(2) of the Bankruptcy Code. In the event the Trustee agrees to hold open the Section 341 Meeting, the Trustee shall nevertheless file a report of the initial meeting annotated to show that the meeting is being held open; or

d-3. The Debtor did not timely file with the Court, upon written request filed with the Court and served on the Debtor and Debtor's Counsel, tax returns or transcripts as required by Sections 521(f) and 521(g)(2) of the Bankruptcy Code; PROVIDED, HOWEVER, that pursuant to Fed. R. Bankr. P. 4002(b)(5) and the Interim Guidance Regarding Tax Information established by the Director of the Administrative Office of the United States Courts, the United States Trustee, the Trustee, or any party in interest that desires to obtain access to the Debtor's tax information must file, and serve upon the Debtor and Debtor's Counsel, a motion with the Court which should include (i) a description of the movant's status in the case, to allow the Court to ascertain whether the movant may properly be given access to the requested tax information, (ii) a description of the specific tax information sought, (iii) a statement indicating that the information cannot be obtained by the movant from any other sources, and (iv) a statement showing a demonstrated need for the tax information. Access to the Debtor's tax information will only be permitted after the Court approves the request; or

d-4. The Debtor did not timely provide to the Trustee documents that establish the identity of the Debtor, including a driver's license, passport, or other document that contains a photograph of the Debtor as required by Section 521(h) of the Bankruptcy Code; or

d-5. The Debtor failed to cooperate with the Trustee as necessary to enable the Trustee to perform the Trustee's duties under the Bankruptcy Code as required by Section 521(a)(3) of the Bankruptcy Code. Any such notice shall state specifically what the Debtor did or did not do constituting such failure to cooperate; or

e. The Debtor did not pay to the Trustee when due, any Payment (except the first) specified in the Plan; PROVIDED, HOWEVER, that:

(i) The NOI shall specify the exact dollar amount due to bring all Payments completely current, as of the 14th day after the date of the NOI; and

(ii) No Order of Dismissal shall be submitted or requested by the Trustee with regard to a subparagraph "e" deficiency if an Interlocutory Order ("I/O") satisfactory to the Trustee has been approved by the Debtor or Debtor's Counsel and delivered to the Trustee as of the 14th day after the date of the NOI; and

(iii) No Order of Dismissal shall be submitted or requested by the Trustee if, prior to the expiration of the NOI period, a response is filed and served by the Debtor, set by Debtor's Counsel on the Court's next available Chapter 13 docket after the expiration of 14 days, and notice of such setting is filed and served by Debtor's Counsel at least 14 days prior to such setting.

4. ADEQUATE PROTECTION DISBURSEMENTS.

a. **Debtors Shall Authorize Adequate Protection Disbursements By The Trustee.** Unless otherwise ordered by the Court, within 14 days of the Petition Date, the Debtor shall file and serve on all scheduled creditors (unless service is made by the Clerk), an "Authorization For Adequate Protection Disbursements ("AAPD") in a form prescribed by the Trustee. Any Payments may be held by the Trustee in a non-interest bearing account. Any amendment to the AAPD shall be filed with the Court, served on all affected creditors, and on the creditors' counsel if a Notice of Appearance has been filed and served on Debtor's Counsel by creditor's counsel, and shall contain a Certificate of Service reflecting this service. Protection concerning motor vehicles shall be presumed adequate if in a monthly amount equal to 1.25% of the value of the motor vehicle determined by averaging the wholesale and retail values contained in the most recent NADA publication for a comparable motor vehicle.

b(1). **Trustee Shall Disburse Adequate Protection Payments.** Unless otherwise ordered by the Court, the Trustee shall disburse adequate protection payments monthly as provided in the AAPD, whether or not a proof of claim has been filed, in the following order:

- (a) Trustee's Fee, any Noticing Fees allowed by the Court, and a \$5.00 account reserve;
- (b) Filing fees;
- (c) Adequate protection payments provided for secured claims; and
- (d) Fees for Debtor's Counsel, unless the Debtor is pro se.

If funds received by the Trustee are insufficient to pay a full monthly payment to any specified category cumulatively, payments shall be made pro rata within such numbered category.

b(2). Pursuant to Section 1326(a)(1) of the Bankruptcy Code, and unless otherwise ordered by the Court, the Debtor must make the first Payment to the Trustee no later than 30 days after the Petition Date. The Trustee will then disburse those funds to the appropriate parties according to the AAPD in the next regularly scheduled monthly disbursement, subject to normal operating procedures.

c. **Use Of Interest.** Any interest received by the Trustee as a result of Payments shall be paid into the Trustee's expense account and used exclusively to pay the compensation and reasonable and necessary expenses of the Trustee, as may be approved by the United States Trustee.

d. **Trustee's Percentage Fee.** Unless otherwise ordered by the Court, the Trustee shall be entitled to the percentage fee fixed by the Attorney General pursuant to 28 U.S.C. § 586(e)(1)(B) on all pre-confirmation adequate protection Payments.

e. **Stay Lifted As To Surrendered Collateral.** The Plan shall describe any Collateral to be surrendered. THE AUTOMATIC STAY SHALL BE LIFTED and the Trustee shall cease disbursements on account of any Surrendered Collateral without further order of the Court as of the date the Plan or any amended Plan providing for surrender is filed. If a post-confirmation modification of the Plan is filed that provides for the surrender of any Collateral, the automatic stay shall be lifted and the Trustee shall cease disbursements to the affected creditor upon the filing of the modification. PROVIDED, HOWEVER, that the stay shall not be lifted if the Collateral is to be surrendered to, or for the benefit of, an insider of the Debtor and the Trustee files with the Court and serves on the Debtor, Debtor's Counsel, and the party to whom the Collateral is proposed to be surrendered (and/or for whose benefit), an objection to the proposed surrender within seven (7) days of the filing of the Plan, the amended Plan, or the Plan modification. If the Trustee files and serves such an objection, the automatic stay shall remain in effect until the Trustee's objection is disposed of. If the Trustee fails to timely file and serve an objection to the surrender of Collateral to, or for the benefit of, an insider of the Debtor, the automatic stay shall be lifted and the Trustee shall cease disbursements on account of the Surrendered Collateral without further order of the Court on the seventh (7th) day after the filing of the Plan, the amended Plan, or the Plan modification.

f. **Payments Made For Adequate Protection Disbursement Considered Payments.** Payments made by a Debtor to the Trustee for adequate protection disbursement shall be considered Payments pursuant to 11 U.S.C. § 1326(a) and 28 U.S.C. § 586(e)(2). Upon the entry of an order dismissing or converting the case pre-confirmation, any adequate protection Payments received by the Trustee shall be disbursed by the Trustee as provided in the AAPD or other order of the Court, and any balance refunded to the Debtor or, if requested by the Chapter 7 trustee, paid to the Chapter 7 trustee.

g. Adequate protection disbursements may include Trustee's Fees, Noticing Fees, Filing Fees, Payments on Secured Claims, and fees for Debtor's Counsel, unless the Debtor is pro se.

5. DISBURSEMENT ON DISMISSAL OR CONVERSION AFTER CONFIRMATION. Unless otherwise ordered by the Court, if a case is dismissed or converted after confirmation, the Trustee shall disburse funds on hand from Payments as provided in the confirmed Plan for one disbursement and then refund the remaining balance to the Debtor.

6. CREDITOR'S CERTIFICATE OF CONFERENCE ON § 362 MOTIONS AND OBJECTIONS TO CONFIRMATION, AND REQUIREMENT FOR TRUSTEE'S REVIEW AND APPROVAL OF ALL AGREED ORDERS.

a. A Creditor **shall** include a Certificate of Conference with Debtor's Counsel on any Section 362 motion to modify stay or any objection to confirmation. The Certificate of Conference **shall** state that the creditor or its counsel made a good faith effort to negotiate a settlement of the dispute with Debtor's Counsel or that Debtor's Counsel failed to respond to the creditor's communication (made during regular business hours) by the same time on the second business day after such communication. The certificate of conference shall evidence that the creditor or creditor's counsel attempted at least once to contact Debtor's counsel by telephone or in person. In the event the Debtor and creditor reach an agreement with respect to a motion to modify stay or objection to confirmation, or any other contested matter between a Debtor and a creditor, the Trustee shall be permitted seven (7) days to review the Agreed Order prior to its presentation to the Court, without prejudice to the Trustee's right to object to the Agreed Order prior to it becoming a final order. The Court reserves the right to sanction parties and/or counsel who fail to confer in good faith prior to the filing of such motions and/or objections.

b. Notwithstanding L.B.R. 4001.1(e), if a creditor claiming a lien on real property files a Section 362 motion to terminate, annul, modify, or condition the automatic stay, the creditor shall attach to the motion a sworn affidavit detailing any alleged payment delinquency and providing a current chronological payment history beginning with the first payment alleged to be delinquent.

7. CONFIRMATION HEARING AND TRUSTEE'S PRE-HEARING CONFERENCE REGARDING CONFIRMATION.

a. The Clerk shall send the Section 341 Meeting Notice (the "Notice") promptly after the petition is filed. The Notice will set the Section 341 Meeting in accordance with Fed. R. Bankr. P. 2003(a).

b. The Chapter 13 Trustee will be responsible for mailing a notice to all parties in interest on the date the Plan and/or the AAPD is filed, notifying such parties that the Plan and/or the AAPD has been filed and the date, place and time of the confirmation hearing. The confirmation hearing shall be set at the last available date the Court has scheduled confirmation hearings that is not more than 45 days after the Section 341 Meeting. Failure of the Chapter 13 Trustee to timely send the notice may be grounds for dismissal of the case at the confirmation hearing.

c. Unless the Court orders otherwise, the hearing on Section 506 valuations will occur at the confirmation hearing.

d. Objections to confirmation of the Plan by the Trustee or any creditors shall be in writing and filed and served on the Debtor, Debtor's Counsel, and the Trustee no later than seven (7) days prior to the Trustee's pre-hearing conference (the "Objection Deadline"), or be deemed waived.

e. After the Objection Deadline and before the confirmation hearing, the Trustee shall conduct a Trustee's pre-hearing conference regarding confirmation (on the date and at the time and place designated by the Trustee). Any matter resolved at the Trustee's pre-hearing conference may be contained in an Agreed Confirmation Order that the Trustee may submit to the Court for entry without the need for any amendment to the Plan or further notice to parties in interest, PROVIDED that no party not a party to the agreement is adversely affected by the agreement.

f. Any objections to confirmation of the Plan or valuation disputes not resolved at or before the Trustee's pre-hearing conference shall be heard by the Court at the confirmation hearing.

g. All objections to confirmation of the Plan and/or the motion for valuation shall be deemed waived:

(i) if not timely filed and served as provided above; or
(ii) if the proponent of any objection or motion fails to attend the Trustee's pre-hearing conference or give the Trustee prior written notice that a hearing is necessary.

(iii) if the confirmation hearing is continued by the Court, the Trustee shall file a notice of continued confirmation hearing.

8. TRUSTEE'S RECOMMENDATION CONCERNING CLAIMS AND PLAN MODIFICATION, IF REQUIRED.

a. As soon as practicable after the governmental Claims Bar Date, the Trustee may prepare and serve on Debtor's Counsel, all creditors who were scheduled, all creditors who filed claims, and any party that has filed a Notice of Appearance, a "Trustee's Recommendation Concerning Claims and Plan Modification, if Required" (the "TRCC") and a notice of hearing thereon.

b. Objections to the TRCC shall be filed within thirty (30) days from the date of service of the TRCC.

c. Unless an objection is timely filed as to the treatment of any claim or modification, the claim or modification will be allowed or approved as described in the TRCC, and such treatment will be final and binding on all parties without further order of the Court.

d. The TRCC shall include a notice of the time, date, and location of the court hearing on any objection, as well as the time, date, and location of the Trustee's pre-hearing conference thereon. If no objection is timely filed, no Trustee's pre-hearing conference or Court hearing will be held. Matters resolved at or before the pre-hearing conference may be presented to the Court by the Trustee in the form of an Agreed Order prior to or at the scheduled court hearing.

e. All unresolved objections to the TRCC shall be deemed waived:

(i) if not timely filed and served as provided above, or

(ii) if the proponent of any such objection fails to attend the Trustee's pre-hearing conference, or give the Trustee prior written notice that a hearing is necessary.

9. IRS REFUNDS.

a. See Section 362(b)(26) of the Bankruptcy Code for setoff rights by the IRS.

b. Unless otherwise ordered by the Court, the Trustee is hereby authorized to receive, endorse, deposit, and apply to any delinquency in a Debtor's Chapter 13 case any IRS refund issued by the IRS after the Petition Date and before the final Payment is made under the Plan, or the case is converted or dismissed, up to \$2,000. Any portion of the first \$2,000 of any refund not so applied will be forwarded by the Trustee to the Debtor.

c. Any IRS refund in excess of \$2,000 may be kept by the Trustee (to the extent of such excess) and paid pro rata to the Debtor's allowed general unsecured creditors. In such event the Base Amount will be increased by such amount, and the Plan will be deemed modified accordingly.

10. COMPENSATION AND EXPENSE REIMBURSEMENT TO DEBTOR'S COUNSEL IN CHAPTER 13 CASES.

a. Unless otherwise ordered by the Court, this General Order governs the compensation of Debtor's Counsel and reimbursement of expenses in cases filed under Chapter 13 of the Bankruptcy Code on or after October 17, 2005.

b. An attorney representing a Debtor under Chapter 13 shall be the attorney of record from the filing of the petition for relief under Chapter 13 (if signed by the attorney), from the filing of a notice of appearance on behalf of the Debtor (if the Debtor filed the case pro se), or from the date of the substitution of counsel (if the Debtor filed the case with other counsel) until the close or dismissal of the case (including disposition of motion(s) to reinstate), unless relieved of representation by order of the Court in accordance with L.R. 83.12.

c. In an individual, non-business case, the Court deems \$3,000 (the "Standard Fee") as reasonable compensation and reimbursement of expenses for an attorney representing the Debtor in accordance with 11 U.S.C. § 330(a)(3)(B). The Court will therefore allow the Standard Fee, plus bankruptcy clerk filing fees and the cost of a credit report for each Debtor (collectively, the "Costs"), in an individual, non-business case, without the requirement of an application for compensation under 11 U.S.C. § 330 and Bankruptcy Rule 2016(a). PROVIDED, HOWEVER, that an attorney may request attorney's fees and expenses exceeding the Standard Fee and Costs upon (i) formal application under Rule 2016(a) and Section 10i of this General Order, with notice and hearing, for all fees and expenses; (ii) formal application under Section 10j of this General Order for fees and expenses exceeding the Standard Fee and Costs; or (iii) motion under Section 10k of this General Order for matters designated therein. Allowance of fees and expenses greater than the Standard Fee and Costs shall be by separate order of the Court.

d. An attorney may not receive a post-petition retainer or payment from the Debtor other than as specified in this General Order without leave of Court.

e. As guidelines, the Court contemplates that the following matters will be included in the Standard Fee:

(1) All conferences with the Debtor, including timely responses to Debtor inquiries, whether by telephone or in writing;

(2) Preparation of the bankruptcy petition, schedules, and statement of financial affairs, including emergency petitions;

(3) Preparation of, and representation of the Debtor on, a motion to continue or impose the stay;

(4) Representation of the Debtor at the Section 341 Meeting and any continued meeting;

(5) Representation of the Debtor at the pre-hearing conference and confirmation hearing;

(6) Representation of the Debtor in connection with two motions under 11 U.S.C. § 362, but not including an evidentiary final hearing;

(7) Representation of the Debtor on motions to dismiss, including Trustee motions to dismiss (with or without prejudice);

(8) Preparation of, and representation of the Debtor on, motions to avoid liens and judgments;

(9) Preparation of, and representation of the Debtor on, one motion to reinstate the case;

(10) Preparation of, and representation of the Debtor on, motions to except the Debtor from the mandatory wage directive provisions of this General Order.

(11) Preparation of documents and notices, including submissions for Trustee recommendation, and attendance at all hearings and/or pre-hearing conferences, including:

(i) Suggestion(s) of bankruptcy, and filing same in the appropriate courts;

(ii) Requests for plan Payment deferrals;

(iii) Motions for emergency refund of plan Payments;

(iv) Objections to claims and/or the TRCC, after appropriate review;

(v) The Plan and Plan documents;

(vi) The AAPD;

(vii) Notices to creditors, where appropriate, explaining the automatic stay;

(viii) Communications and negotiations with the Internal Revenue Service;

semi-annual report;

- (ix) Communications to the Debtor explaining the Trustee's annual or

- (x) Motions to extend the time to file paperwork;

- (xi) Requests to the Trustee to reset the Section 341 Meeting;

- (xii) Amendments of schedules and statement of financial affairs;

- (xiii) All case-related correspondence;

- (xiv) Notices or motions, if necessary, to convert the case;

- (xv) Motions to dismiss the case;

- (xvi) Motions regarding the manner of the Debtor's attendance at the Section 341 Meeting; and/or

- (xvii) Interlocutory orders;

- (12) Wage order review;

- (13) Budget consultations;

- (14) Making and performing, or assisting the Debtor in making or performing, the disclosures and duties required by 11 U.S.C. § 521, 527, 528, and 1308;

- (15) Taking all steps reasonably necessary to insure that the Debtor receives a discharge in the case; and

- (16) Other miscellaneous normal, customary services, including correspondence to clients and review of correspondence from clients, communication with the Trustee and the Trustee's office, and communication with the Clerk.

f. The guidelines assume two lift stay motions and one motion to reinstate the case, all of which typically occur in the life of a Chapter 13 case. The guidelines assume the resolution of lift stay motions at preliminary hearings, or by agreement (at either preliminary or final hearings), and a typical hearing of 10 to 20 minutes on other contested matters routinely heard at a Chapter 13 Standing Trustee docket. The guidelines do not contemplate that the Standard Fee would include an evidentiary final hearing on a motion to lift stay, or an evidentiary hearing of more than 30 minutes on a motion to dismiss, objection to exemption,

confirmation hearing, claims objection, or other contested matters, or would include representation of the Debtor in an adversary proceeding.

g. Other than Section 10b, this General Order does not apply to a Chapter 13 case converted to a case under Chapter 7 of the Bankruptcy Code. Upon entry of an order converting a case to Chapter 7, the amount and manner of payment of compensation for an attorney for Chapter 7 related services is a matter between the Debtor and his or her attorney.

h. In a business case, the Court deems \$3,500 as reasonable compensation and reimbursement of expenses for an attorney under 11 U.S.C. § 330(a)(3)(B) (the “Business Standard Fee”). The Court will therefore allow the Business Standard Fee, plus bankruptcy clerk filing fees, in a business case without the requirement of an application for compensation under 11 U.S.C. § 330 and Rule 2016(a).

i. In any case, the Debtor may elect to apply for all attorney’s compensation and expenses based solely on a lodestar analysis, with notice and hearing. The application must comply with 11 U.S.C. § 330, Rule 2016(a) and the Court’s Guidelines for Compensation and Expense Reimbursement of Professionals effective January 1, 2001. The application must include time records for all work performed on the case. For lodestar applications, the Court will not approve a fee over \$500 for the preparation of the fee application.

j. For applications requesting compensation and expenses for particular matters not included in the Standard Fee or the Business Standard Fee under this General Order B *i.e.*, a final evidentiary hearing on a motion to lift stay, the attorney must include time records for the particular matter. For those matters, the Debtor’s attorney must use the lodestar analysis and comply with 11 U.S.C. § 330, Rule 2016(a) and the Court’s Guidelines for Compensation and Expense Reimbursement of Professionals effective January 1, 2001. For lodestar applications for particular matters, the Court will not approve a fee over \$250 for the preparation of the fee application.

k. Provided the Debtor agrees, and notwithstanding any other provision of this General Order, for certain matters not within the guidelines for the Standard Fee or the Business Standard Fee, and to encourage uniformity and consistency and to minimize the expense of the fee application process, the Court will approve, upon motion, and waive the application requirement, the following fees:

- (1) For a Plan modification, \$350, plus expenses not to exceed \$50.
- (2) For a motion to sell property, \$350, plus expenses not to exceed \$50.
- (3) For a motion to incur debt, \$350, plus expenses not to exceed \$50.

(4) For a motion to lift (after the two motions to lift stay included within the Standard Fee or the Business Standard Fee), \$350, plus expenses not to exceed \$50.

A motion under this paragraph may request that the Court authorize the Debtor to pay these fees or expenses directly to his or her attorney.

11. COMPENSATION AND EXPENSE REIMBURSEMENT TO CREDITOR ATTORNEYS IN CHAPTER 13 CASES. The Court deems \$675 as reasonable compensation for fees and actual expenses for a creditor's attorney who is entitled to compensation from a debtor's estate under 11 U.S.C § 506(b) and applicable non-bankruptcy law in any case, without prejudice to a party contesting entitlement to fees, or the reasonableness of the amount or mode of payment of fees and expenses. Allowance of fees and/or expenses in a greater amount shall be by separate order of the Court after a hearing on application or motion and notice. Effective February 1, 2007, the submission of an agreed order containing a provision providing for the recovery of attorneys' fees in a pending bankruptcy case shall constitute an affirmative representation to the judges of this Court by all signatories to the Agreed Order that there is objective evidence supporting a finding that the creditor has a properly perfected lien and is oversecured or is otherwise legally entitled to recover such fees.

12. TRUSTEE'S NOTICING FEES.

a. The Standing Chapter 13 Trustees may charge, in addition to the percentage fee fixed pursuant to 18 U.S.C. § 586(e)(1)(B), noticing fees in each case administered by the respective Standing Trustee equal to \$.50, plus postage per envelope.

b. The Standing Chapter 13 Trustees may collect, in advance, as hereinafter provided, for reports or orders, including, but not limited to the TRCC, Notice or Order of Dismissal or Conversion, Notice or Order of Debtor Discharge, Trustee's Final Report and Account, Request for Discharge, and/or Notices required under 11 U.S.C. § 1302(d) regarding domestic support obligations. It is hereby found and determined that said fees are reasonable and appropriate to defray the actual, necessary costs and expenses reasonably attributable to the giving of said notices. Subject to United States Trustee approval, the Standing Trustees may choose to reduce the number of notices for which noticing fees are collected. The Standing Chapter 13 Trustees shall be entitled to collect noticing fees authorized hereby from the first and any subsequent monies received from the Debtor, whether before or after confirmation.

13. MANDATORY WAGE DIRECTIVE. Unless the Court orders otherwise, if the Debtor is a wage or salary employee, the Debtor must complete and deliver to the Trustee the information necessary for the submission of a wage directive by the Trustee, not later than the initial Section 341 Meeting. The Trustee will promptly issue a wage directive to such Debtor's employer and, unless otherwise ordered by the Court, such directive may be terminated by the Trustee or the Court.

14. ADEQUATE PROTECTION TO VEHICLE LENDERS. In each Chapter 13 case, the Debtor's use of vehicles under Section 363 of the Bankruptcy Code is authorized only if the Debtor (i) maintains insurance on the vehicles in the amount required by the Debtor's prepetition contract; (ii) provides proof of insurance to the lien holder upon request; and (iii) provides the Trustee with all necessary information for a wage directive not later than the date of the initial Section 341 Meeting (if the Debtor is a wage or salaried employee and the Court has not ordered otherwise).

15. MODIFICATION REQUIRED OR NOT REQUIRED.

a. Unsecured creditors are not guaranteed a dividend when a Plan is confirmed. If a secured or priority claim is allowed for an amount greater than the confirmed Plan designates, a modification is not required unless 11 U.S.C. § 1325(a)(4) applies (the so-called best interests test) or unless the Plan is rendered insufficient, in which event a prompt modification is required.

b. Valuation disputes will not require a modification. Valuation disputes will be adjudicated at the confirmation hearing unless the Court orders otherwise.

c. Modification is not required for mortgage arrears unless the arrearage amount renders the Plan insufficient, in which event a prompt modification is required.

16. MONTHLY STATEMENTS WILL NOT VIOLATE THE AUTOMATIC STAY. Unless the Debtor or Debtor's Counsel has notified the creditor to discontinue sending post-petition statements, a creditor will be deemed not to have violated the automatic stay by voluntarily continuing to send the Debtor the usual and customary monthly statements concerning the Debtor's accounts. A creditor claiming a lien on real property and whose lien is provided for with "direct" payments in the Plan shall continue to send the Debtor regular payment statements, invoices, or other memoranda of regular payments due after the Petition Date, if it was the practice of the creditor to send the Debtor such statements before the Petition Date, and the continued sending of these payment statements, invoices, or other memoranda of regular payments will be deemed not to violate the automatic stay.

17. DOMESTIC SUPPORT OBLIGATIONS.

a. A Debtor with domestic support obligations shall provide the Trustee with the name, address, and telephone number of the domestic support claimant, if known, at or before the Section 341 Meeting.

b. Within 7 days before the Trustee's pre-hearing conference concerning confirmation, a Debtor with domestic support obligations shall file with the Court a certificate pursuant to Sections 1325(a)(8) and (9) of the Bankruptcy Code.

SO ORDERED.

The court has authorized its Chief Bankruptcy Judge to enter this Order on behalf of the Court.

I. THE ELECTRONIC CASE FILING SYSTEM

A. Statewide ECF Administrative Procedures.

The United States Bankruptcy Courts for the Northern, Southern, Eastern, and Western Districts of Texas (collectively, the “Texas Bankruptcy Courts”) have each authorized the filing, signing and verification of documents by electronic means. The precise scope of documents authorized or required to be filed in an electronic format varies by district.* The purpose of this Appendix is to provide attorneys and other parties who seek to file documents by electronic means a convenient means by which to ascertain the appropriate electronic filing procedures for a particular Texas Bankruptcy Court (hereafter referenced as the “Authorizing Court”).

B. Participation in the Electronic Filing Program.

- 1. Registration Requirement.** An approved participant (an “Electronic Filer”), including any attorney admitted to practice before the Authorizing Court, must register for an authorization through which such person can accomplish the electronic filing of documents with such Authorizing Court.**
- 2. Authorization.** An approved participant (an “Electronic Filer”) will be assigned a login and password combination with which to access the Electronic Filing System (the “System”) for a particular Authorizing Court.

C. Electronic Filing by Creditors and Agents for Creditors.

A creditor or an agent for a creditor (including an attorney-agent not admitted to practice before the Authorizing Court) may also become an Electronic Filer for the purpose of filing by electronic means proofs of claim and a limited range of claim-related documents with the Authorizing Court. Each Authorizing Court shall determine the precise scope of documents which may be filed through a creditor authorization. Any creditor who routinely files claims and other documents in any Authorizing Court may be required to become an Electronic Filer.

D. Electronic Filing by Other Persons.

Documents to be filed by any person who is not an Electronic Filer may be filed by electronic means at any office of the Clerk of the Authorizing Court. Each Authorizing Court shall determine the precise methodologies and procedures to accomplish such filings.

II. REGISTRATION AND TRAINING

* Though permissive language is utilized in this Appendix, please consult the electronic filing information provided on the Internet homepage of each particular Texas Bankruptcy Court to determine whether the filing of documents by electronic means is required. Those websites are identified in Sections II(A)(1) and VI(A)(1) of this Appendix.

** In the Northern District, this includes government attorneys exempted from admission requirements under LR 83.11.

A. Registration.

- 1. Registration Forms.** Registration forms are available from the Clerk of each Authorizing Court for which electronic filing registration is sought or through the Authorizing Court's website:

 San Antonio, TX 78295-1439

A separate registration form must be submitted for each attorney within a particular law firm.

- 2. Login/Password Assignments.** An approved participant (an “Electronic Filer”) will be assigned a login and password combination with which to access the Electronic Filing System (the “System”) for a particular Authorizing Court. Additional login/password combinations may be authorized by the Clerk of the Authorizing Court. Only the Electronic Filer, or an authorized representative, may receive the electronic notice of the assigned login and password combination(s). Unless the Clerk of the Authorizing Court grants a request for delivery of the login/password assignment by first class mail or through some other approved means, the Electronic Filer shall receive notice of such assignments by electronic mail. Each Authorizing Court reserves the right to revoke or to change any assigned login and/or password from time to time as may become necessary.
- 3. System Access.** The assignment of a login and password combination will initially be utilized for training purposes only and such combination will not be activated for use on the “live” System until such time as the Electronic Filer has successfully completed all training requirements imposed by the Authorizing Court and has received full authorization from that Court to utilize its System.
- 4. Consent to Electronic Notice from Court.** By accepting a login and password from the Authorizing Court, an Electronic Filer consents, in lieu of any right to receive notice by first class mail, including notice issued pursuant to Fed. R. Bankr. P. 2002(a) and 9022, to the receipt of notice by electronic means from the Authorizing Court or from the Bankruptcy Noticing Center.
- 5. Consent to Electronic Notice from Parties.** By accepting a login and password from the Authorizing Court, an Electronic Filer consents, in lieu of any right to service of any document by personal service or by first class mail from interested parties, to accept service from such parties by electronic means through the transmission facilities of the Authorizing Court, excepting the service of process of a summons and complaint in an adversary proceeding under Fed. R. Bank. P. 7004, or the service of a subpoena under Fed. R. Bankr. P. 9016.
- 6. Password Security.** An Electronic Filer may find it desirable to change his/her password periodically. This may be accomplished through procedures set forth in the User’s Manual available on the website of the Authorizing Court. In the event that an Electronic Filer believes that the security of an existing password has been compromised, the Electronic Filer shall give immediate notice to the Clerk of the Authorizing Court in order to prevent access to the System by the use of that password. Such notice may be given in the manner set forth in the User’s Manual issued by the Authorizing Court.
- 7. Change of Address.** In the event of a change in any registration information (e.g., mailing address, e-mail address, etc.), an Electronic Filer assumes sole responsibility for updating such registration information with the Authorizing Court through the Utilities section of the System.

B. Training.

- 1. Prerequisite to Live Access.** An Electronic Filer must demonstrate the ability to docket pleadings satisfactorily to the Authorizing Court's training system as a prerequisite to obtaining access to such Court's "live" System.
- 2. Training Sessions.** To assist prospective Electronic Filers in fulfilling the above prerequisite, each Authorizing Court shall conduct classroom training sessions as needed to train prospective Electronic Filers and shall reserve the right to organize such training sessions according to party-type (e.g., trustees, debtor attorneys, creditor attorneys, etc.). Staff members associated with prospective Electronic Filers, such as paralegal and legal assistants, are strongly encouraged to attend these sessions.
- 3. Reciprocity.** Attorneys who are admitted to practice before an Authorizing Court and who have been authorized to file documents by electronic means in another federal district may become an Electronic Filer in the Authorizing Court upon a demonstration of the ability to docket pleadings successfully to that Court's training system. Such reciprocity requests should be presented to the Clerk of the Authorizing Court who shall exercise sole discretion as to whether such reciprocity request should be granted or whether additional training requirements should be imposed.
- 4. Telephonic Training.** Certain Electronic Filers who require only limited access to electronic document filing, such as for proofs of claim only, may not be required to attend classroom training, but instead may receive training assistance by telephone. However, each Authorizing Court reserves the right to require classroom training for any prospective Electronic Filer and those trained via telephone shall still be required to demonstrate the ability to docket pleadings satisfactorily to the Court's training system prior to gaining access to the "live" system of the Authorizing Court.

III. ELECTRONIC FILING AND SERVICE OF DOCUMENTS

A. Filing.

- 1. Scope.** Except as stated otherwise below, any petition, complaint, motion, answer, objection, comment, response, memorandum of law, proof of claim, or other document in connection with a case may be filed by electronic means. Such document must be in a portable document format ("PDF") at the time of submission to the System.
- 2. Methodology.** Any such document, together with any pleading attachments thereto, shall be electronically filed under one docket entry and the Electronic Filer will be responsible for designating an appropriate title for the document by utilizing one of the docket event categories authorized by the System.
- 3. Certificate of Service.** Any required certificate of service shall be included in the main document.

[Exception (Southern District): Certificates of service may also be filed separately.]

- 4. Proposed Orders Due Upon Filing.** See Section IV of this Appendix for specific instructions for the submission of proposed orders in each particular district.
- 5. Pleading Attachments.** See Section III(c) of this Appendix for specific instructions regarding the filing of any document in conjunction with any pleading or proof of claim.
- 6. PDF File Limitations.** No single PDF file, whether containing a document or an attachment, may exceed forty (40) pages in length. Documents and/or attachments in excess of forty pages must be divided into multiple PDF files and accurately described to the Authorizing Court. If a document, together with any attachments thereto, exceeds one hundred (100) pages in length, please call the Clerk of the Authorizing Court for guidance prior to filing such document by electronic means.
- 7. Motion for Leave.** A motion for leave of court to file a document must be filed by electronic means. The document for which such leave is sought shall be submitted for review as a pleading attachment to the main document. Upon receipt of an order granting leave, an Electronic Filer shall file the authorized document by electronic means.
- 8. Motion to File Document Under Seal.** A motion to file a document under seal shall be filed electronically *without* attachment of the subject document(s) for which protection is sought. The Authorizing Court may require the submission of paper copies of the subject document(s) in a sealed envelope prior to the issuance of any ruling on the motion. Upon the granting of the motion, and only if paper copies of the protected subject document(s) have not previously been provided, the Electronic Filer shall file paper copies of the protected document(s) in a sealed envelope, with a copy of the order authorizing the filing of the documents under seal affixed to such envelope.
- 9. Adversary Complaint and Summons.** A complaint, with a proposed summons as an attachment, must be filed electronically with the Court. Because service of the summons by electronic means is currently precluded under the Federal Rules of Civil Procedure, the Court will print the proposed summons, affix the appropriate signature and seal upon it, and issue the executed original to the filing party by mail.

[Exception (Southern District): The filing party must deliver the summons form in paper format to the Clerk's office for execution.]

- 10 Emergency and Expedited Hearing Requests.** Upon the filing of documents which require the immediate attention of the Authorizing Court, such as requests for emergency or expedited hearings, an Electronic Filer shall immediately notify the applicable Courtroom Deputy or Case Manager by telephone or by e-mail. Telephone and e-mail information for each of the Texas Bankruptcy Courts are as follows:

- 11. Designation of Appellate Record.** A designation of the items to be included in the record on appeal pursuant to Fed. R. Bankr. P. 8006 must be filed by electronic means. However, copies of the designated documents to be delivered to the Clerk of the Authorizing Court pursuant to the applicable local rule shall be delivered in a paper format, with the format of all subsequent filings to be determined by the appropriate District Court.
- 12. Unavailability of System.** If there is a technical failure of the Court's System which renders it inaccessible to an Electronic Filer on the last day prescribed under any applicable rule or court order for the timely filing of a document, such prescribed period shall be extended until the end of the next business day after access to the System has been restored.

***Practice Note:** Parties should be aware that the Authorizing Court may lack authority to relieve a party from the operation of any applicable statute of limitations based upon the unavailability of the Court's System. In such event, alternative filing means should be utilized in a timely manner.*

B. Signatures.

1. Signature Requirement. A document filed by electronic means shall either:

- (a) contain a scanned image of any manual signature or an electronic signature affixed thereto; or
- (b) display an “/s/” with the name typed in the location at which the signature would otherwise appear such as:

/s/ Jane Doe; OR

/s/ Jane Doe, Notary Public^{***}; OR

/s/ Jane Doe, President, ABC Corporation.

- 2. Consequence of Login/Password Usage.** Without relieving an Electronic Filer of the duty to comply with the signature requirement outlined above in Section III(B)(1), the filing of any document using a login/password combination issued by the Authorizing Court shall constitute an Electronic Filer's signature for purposes of signing the document under Fed. R. Bankr. P. 9011 or any other signature requirement imposed by the Bankruptcy Code, the Federal Rules of Bankruptcy Procedure, or any local rule of the Authorizing Court. No person shall knowingly utilize or cause another person to utilize the password of an Electronic Filer unless such a person is an authorized agent of the Electronic Filer.
- 3. Declarations for Electronic Filing.** Within 7 days of the filing by electronic means of a bankruptcy petition, list, schedule, or statement that requires verification or an unsworn declaration under Fed. R. Bankr. P. 1008, the Electronic Filer shall tender to the Court in paper format the appropriate “Declaration for Electronic Filing,” substantially conforming either to Exhibit “B-1,” “B-2,” or “B-3,” which has been executed by any individual debtor or by the authorized representative of any corporate or partnership debtor. Such Declaration shall be thereafter maintained by the Clerk of the Authorizing Court in paper format.
- 4. Retention of Documents With Third-Party Signatures.** Except as otherwise set forth in this Appendix, or as otherwise ordered by the Authorizing Court, documents which contain the original signature of any party other than the Electronic Filer, other than a Declaration for Electronic Filing as

^{***} If the “/s/” signature option is utilized for a notary public, the commission date for such notary public should be typed on the electronically-submitted document.

referenced above, shall be retained by the Electronic Filer for a period of not less than five (5) years after the case or adversary proceeding is closed and, upon request, such original document must be provided to the Court or other parties for review.

C. Pleading Attachments.

- 1. Definition.** A “pleading attachment” is any document filed in support of, or in conjunction with, any pleading or proof of claim filed with the Authorizing Court. A pleading attachment shall be submitted as a PDF attachment to (and docketed with) the main document.

***Exception¹: Memorandum of Law.** A memorandum of law pertaining to a pleading must be filed separately and linked as a related document to such pleading.*

***Exception²: Trial Exhibits.** No trial exhibit shall be filed by electronic means.*

- 2. Summary or Excerpt Required.** Except as stated below or otherwise authorized by separate court order, no document in excess of forty (40) pages shall be filed as a pleading attachment. In lieu thereof, the Electronic Filer shall either create and thereafter file as the pleading attachment:

- (a) an accurate summary of such document; or
- (b) an excerpt of such portion of such document as may be directly germane to the issue being presented to the Court provided; however, that the excerpted material is clearly and prominently identified as such.

- 3. Service of Complete Copy Upon Request.** If a summary or excerpt is filed with the Court as a pleading attachment, any party entitled to service of the pleading under the Federal Rules of Bankruptcy Procedure, the Local Rules of any Authorizing Court or any court order has a right to request service of a complete copy of the source document for which the summary or excerpt is submitted and the filing party shall immediately comply with such request at no charge to the requesting party. A complete copy of the source document must also be available for distribution to the Court and opposing parties at any scheduled hearing pertaining to the matter.

- 4. Exceptions to the Summary/Excerpt Requirement.** Pleading attachments to the following pleadings are excepted from the summary/excerpt requirement expressed above and shall instead be filed in their entirety by electronic means, subject to the PDF file limitations imposed by Section III(A)(6) of this Appendix:

- (a) Chapter 9 or Chapter 11 Plan of Reorganization;
- (b) Disclosure Statement;
- (c) Application for Compensation and/or Reimbursement of Expenses;

- (l) Any documents containing affidavits or verified statements; and

5. Paper Copy for Chambers Required. Unless otherwise ordered, a complete paper copy of the following pleadings, including all attachments thereto, should be delivered within 24 hours of the electronic filing, excluding intermediate weekends and holidays, to the Clerk of the Authorizing Court for use by the assigned judge. Such pleadings are designated below according to district:

6. Affidavits. The digital representation of an affidavit filed pursuant to the directives of this Section shall be construed as a valid affidavit upon which the Authorizing Court shall be entitled to rely. At

the request of the Court or upon any dispute regarding the validity of the underlying affidavit, the Electronic Filer shall produce the originally-executed affidavit at any scheduled hearing pertaining to the matter.

- 7. Trial Exhibits.** No trial exhibit shall be filed by electronic means.

D. Special Instructions Regarding Fees.

1. Northern District:

Please consult the ECF On-Line Credit Card Payment Guide which is available at: http://www.txnb.uscourts.gov/ecf/cc_attorney_guide.pdf. Electronic Filers who choose to pay filing fees for multiple filings in a single payment or those using a “quick filing” or “flash filing” feature offered in certain bankruptcy filing software must settle their accounts by the close of business each day.

2. Southern District:

None at this time.

3. Eastern District:

Please consult the ECF On-Line Credit Card Payment Guide which is available at <http://www.txeb.uscourts.gov/Finance/Internet Credit Card Manual.pdf>.

Electronic Filers may elect to pay the required filing fee after each transaction or make a single payment for all accumulated filing fees.

4. Western District:

None at this time.

E. Service.

- 1. Notice of Electronic Filing.** Whenever a document is filed by electronic means in accordance with these procedures, the System will automatically generate for the Electronic Filer a “Notice of Electronic Filing” at the time of docketing in a format substantially conforming to Exhibit “A.”
- 2. Fulfillment of Service Requirements.** The System will serve either the “Notice of Electronic Filing” or, if so elected by the recipient, a “Daily Summary Report of Bankruptcy Filings” containing notice of the electronic filing of the document, upon all parties who have consented to electronic service. The service of the “Notice of Electronic Filing” or the “Daily Summary Report of Bankruptcy Filings” upon such parties is the equivalent of service of the document upon such parties by first class mail, postage prepaid, by the Electronic Filer.
- 3. Service of Paper Documents.** The Electronic Filer must serve the document in paper format upon the debtor(s), if required, as well as upon any party entitled to service who is not registered for electronic service and is not, therefore, listed as a recipient of electronic notice on the Notice of

Electronic Filing. Any supplemental certification regarding the service of paper documents must be filed by electronic means.

- 4. Electronic Service of Summons/Complaint/Subpoena Prohibited.** Service of a summons and complaint under Fed. R. Bankr. P. 7004 or of a subpoena under Fed. R. Bankr. P. 9016 by electronic means is prohibited by the Federal Rules of Civil Procedure.

5. Miscellaneous Service Provisions.

(a) Northern District:

- (1) Notice of Hearing Required.** A Notice of Hearing must be filed and served by the movant for all matters requiring a hearing, and for all subsequent continuances of that matter. When the movant is given a hearing date and time for a matter by the Court, it is the movant's responsibility to file and serve the Notice of Hearing.

A document is filed on a particular day if the transmission of the document is completed prior to midnight in the Central time zone.

IV. SUBMISSION OF ORDERS.

A. General Provisions.

- 1. Cover Sheet Not Required.** A cover sheet is not required for any order submitted by electronic means.
- 2. Restrictions on Fonts.** The proper processing of orders through the Bankruptcy Noticing Center requires the use of designated fonts in any proposed order. The fonts used with Adobe Acrobat Writer version 3 or 4 must be Courier, Helvetica, or Times New Roman (regular, bold, italic, and

bold italic). The fonts used with Adobe Acrobat Writer version 5 must be Arial, Courier, or Times New Roman (regular, bold, italic, and bold italic).

3. **Affixing Signatures.** Required signatures of parties or their respective attorneys on any agreed order or judgment may be documented through any means authorized under Section III(B) of this Appendix.

B. Specific Directives on Orders: Northern District.

1. **Submission of Proposed Order Upon Filing.** If a proposed order is required to be submitted to the Court, an Electronic Filer in the Northern District of Texas must submit the proposed order in either WordPerfect or Microsoft Word format using the Court's order processing system and may separately submit the order in PDF format. The User's Manual explains this requirement.
2. **Submission of Court-Directed Orders and Judgments.** When directed by the Court to submit a proposed order or judgment, the proposed order or judgment shall be submitted using the Court's order processing system.
